Shepherd's Vermifuge.

PARENTS, Physicians and Nurses, read the following certificate of cure of fits by Shepherd's Vermifuge. We have in our possession thousands of certificates which it is needless to publish here, as this shows the virtue of the medicine and its harmlessness. Remember that Shepherd's Vermifuge never sickens children, and never fails to give them a good appetite—it combines many valuable properties independent of the worm destroying, &c. It is doing good wherever it is used.

NEW BERLIN, Union Co., Pa., July 12, 1847.

My child four years old has been subject to fits from the age of four months, and pronounced by the physicians after their utmost exertions to be incurable—and at one time dispaired of her life and said she would not live two hours, refusing to leave medicine for her saying it would be of no use. I could not induce myself to believe that worms were not the source of her disease, in consequence of which I purchased three or four bottles of Jaynes Vermifuge which I used according to direction without it producing any good effects. I next used Morrison's without any better success, besides various other kinds, but all to no purpose. Mr. E. Wilson, Agent of Shepherd's Vermifuge, induced me try Shepherd's Worm Destroyer, which I am happy to say after using three bottles entirely cured her, a large quantity of worms having been expelled. She had been so long afflicted by having fits every day, that she had not been able to walk or talk until the last six months since using Shepherd's Vermifuge. She has commenced to talk and walk and I am satisfied that Shepherd's Vermifuge has produced all these happy results, and therefore recommend it as an invaluable medicine. Price 25 cents per bottle.

DAVID MAUCK.

The following certificates are from citizens residing in Franklin county, Pa., and who are known to many of the readers of the Volunteer:

ROCKSBURG, Pa., April 29, 1847.

After having used, without success, a Vermifuge which was held in high estimation, I was induced to try Shepherd's. To my daughter, who is eight years old, I gave four doses, and which had the effect of expelling a large number of worms. I can recommend it as a good article.

Shepherd's Sarsaparilla.

THE public will please examine and see that they get Shepherd's Sarsaparilla, as there are many preparations by the name of Sarsaparilla. Shepherd's never fails to cure long standing cases of Rheumatism, Scrofula, Tetter, Ringworms and Consumption. Of the numerous certificates of cure read the following:

YELLOW SPRINGS, Blair co., Pa., August 11, 1847.

I purchased two bottles of Shepherd's Sarsaparilla and administered it to my boy seventeen months old who had been affected with scrofula for six months. I am happy to find him entirely cured, the lumps on his neck having disappeared so as to leave no sign of their ever having been there. His health is as good now from all appearances as if he had never been afflicted with the disease mentioned.

ALLEN J. GREEN.

Mr. Green is well known in Blair county, is a respectable farmer and his veracity will not be doubted by any one who knows him.

For pimples on the face, Shepherd's Sarsaparilla is a never failing cure. It purifies the blood and thereby gives beauty to the eyes and complexion.

RHUMATISM.

This disease in its acute form is inflamation of the membranes of the joints, with a disposition to migrate or shift from one joint to another, or to certain internal organs, and especially to the membranes of the heart. In this form of rheumatism there is occasionally fever; the joints are much swollen and excessively painful. In the chronic variety there are no marked constitutional symptoms, but in many cases, particularly in debilitated habits, when the general health of the body has been deranged by previous disease or too great exertion of body or mind, a permanent distortion of the joints and crookedness of the limbs are almost certain to follow. Many medicines have been produced, and which were represented as being certain cures for this disease, but all, or nearly so, have failed to receive the confidence of the public. At this time no medicine has better claims on the community, than Shepherd's Sarsaparilla, for the alleviation and absolute cure of this troublesome and exceedingly painful disease.

Eruptions of the Skin,—These are exhibited in various forms. Pimples and Blotches on the face, which so frequently disfigure the most admired features, these, with Cancerous Affections, Dyspepsia, Neuralgia, Jaundice, &c., produce quite a formidable array of complaints resulting from impurity of the blood. All these, with the diseased condition of the system, caused by the excessive use of mercury, will generally yield to that admirable preparation of medicine known as Shepherd's Sarsaparilla.

CONSUMPTION CAN BE CURED

Spitting Blood, Consumption, &c.

THOMSON'S COMPOUND SYRUP OF TAR AND WOOD NAPTHA is the most certain and effectual remedy for the cure of all complaints of the throat and lungs, obstinate coughs, chronic sore throat, bronchitis, asthma, pain in the side and breast, tightness from phlegm, hoarseness, croup, whooping cough, &c. A trial will convince all of its unequaled efficacy.

Thomson's Compound Syrup of Tar and Wood Naptha will cure Consumption!

YET ANOTHER CURE!

PHILADELPHIA, April 9, 1846.

Last August a year I caught a violent cold in consequence of getting wet in a shower of rain. A circumstance so common gave me no immediate concern, supposing I should soon get rid of it. On the contrary, however, I daily grew worse; a violent cough set in, then pain in my breast and between my shoulders. I now suffered great oppression from the great secretion of purulent matter in my lungs. I became greatly alarmed, and my friends considered my situation extremely critical, the more so as loss of appetite, hectic fever and night sweats rendered me as weak as a child. At night the sweat literally poured off me! This was my condition when I commenced using "Thomson's Compound Syrup of Tar and Wood Naptha." I procured one bottle, and experienced so much benefit that I resolved to continue it. I took in all nine bottles, and am now perfectly restored. It is now six months since I ceased using the medicine and the cure remains perfect. I firmly believe this medicine is far superior to every remedy for consumption of the Lungs.

IT NEVER FAILS.

DR. CULLEN'S

Indian Vegetable Panacea.

PERSONS afflicted with Scrofula, Kings' Evil, Cancer, Erysipelas, Old sores, Ulcers, Tetter, Mercurial Diseases, or any other complaints arising from impurities of the blood, are requested to read the following testimonials, in proof of the wonderful properties of the above named medicine.

READ! READ!! READ!!!

We the undersigned, having visited Mr. Isaac Brooks, jr. at the office of Messrs Rowand & Walton, 376 Market st., Philadelphia, consider his case the most remarkable one we have ever witnessed or heard of. His disease was SCROFULA, and terrible must have been his twelve years conflict with the destroyer. His Palate, the entire roof of his Mouth, Nose, Upper Lip, and lower lid of the RIGHT EYE have been destroyed, his Face, *nearly eaten up*, and part of the Jaw Bone carried away. And yet we can give no description of his case.

Mr. B informs us that in January last; the whole interior of his mouth, as well as most of his face, was a mass of deep and painful ulcers. On the 14th of January last, he commenced taking Dr. Cullen's Indian Vegetable Panacea, which checked the disease in a few days, and from that time the cure has progressed with intermission. New flesh has supplied the place of the deep ulcers, and though badly disfigured, his face is sound, and his general health is restored. We are assured that in the treatment of Mr. Brooks' case, no Mercurials, Ointments, or Caustic Applications have been used,—in fact, the Panacea Alone, has wrought this wonderful change.
