By the Act of Incorporation, the stock is pledged for the payment of the losses on all the policies issued. Shepherd's Sarsaparilla.
THE public will please examine and see that they get Shepherd's Sarsaparilla, as there are many purveyors by the name of Sarsaparilla. RHEUMATISM, Sciatica, Tetter, Ringworms and Consumption. Of the numerous certificates of cure read the following:
YELLOW SPRINGS, Blair Co., Pa.,
August 11, 1847.
I purchased two bottles of Shepherd's Sarsaparilla and administered it to my boy seventeen months old who had been afflicted with scrofula for six months. I am happy to find him entirely cured, his lungs are now healthy and he has no signs of the disease to which he was formerly subject. His health is as good now from all appearances as if he had never been afflicted with the disease mentioned.
ALLEN J. GREEN.
Mr. Green is well known in Blair county, is a respectable farmer and his veracity will not be doubted by any one who knows him.
YOUNG LADIES LOOK HERE!
For symptoms on the face, Shepherd's Sarsaparilla is a never failing cure. It purifies the blood and thereby gives beauty to the eyes and complexion.
RHUMATISM.
This disease in its acute form is inflammation of the membranes of the joints, with a disposition to migrate or shift from one joint to another, or to certain internal organs, and especially to the membranes of the heart. In this form of rheumatism, there is occasionally fever; the joints are most swollen and excessively painful. In the chronic variety there are no marked constitutional symptoms, but in many cases, particularly in debilitated habits, when the general health of the body has been deranged by previous disease or too great exertion of body or mind, a permanent distortion of the joints and crookedness of the limbs are almost certain to follow. Many medicines have been produced, and which were represented as being certain cures for this disease, but all, or nearly so, have failed to receive the confidence of the public. At this time no medicine has better claims on the community, than Shepherd's Sarsaparilla, for the alleviation and absolute cure of this troublesome and exceedingly painful disease.
Eruptions of the Skin.—These are exhibited in various forms. Pimples and blotches on the face, which so frequently disfigure the most admired features, those, with Cancerous Affections, Dyspepsia, Neuralgia, Jaundice, &c., produce quite a formidable array of complaints resulting from impurity of the blood. All these, with the diseased condition of the system caused by the excessive use of mercury, will generally yield to that admirable preparation of medicine known as Shepherd's Sarsaparilla.
Price 75 cents per bottle.

Thomson's Compound Syrup of Tar and Wood Naphtha will cure Consumption!
YET ANOTHER CURE!
PAINEVILLE, April 9, 1846.
Last August a year I caught a violent cold in consequence of getting wet in a shower of rain. A circumstance so common gave me no immediate concern, supposing I should soon get rid of it. On the contrary, however, I daily grew worse; a violent cough set in, then pain in my breast and between my shoulders. I now suffered great oppression from the great secretion of purulent matter in my lungs. I became greatly alarmed, and my friends considered my situation extremely critical, the more so as I was unable to eat, and at night I was unable to breathe. I took in all nine bottles, and am now perfectly restored. It is now six months since I ceased using the medicine and the cure remains perfect. I firmly believe this medicine is far superior to every remedy for consumption of the Lungs.
J. J. CHAMBERLAIN, No. 8 Carberry st. Pa.
Affirmed and subscribed this 9th day of April 1846, before me, JOHN SWYER, Mayor.

DR. CULLEN'S
Indian Vegetable Panacea.
PERSONS afflicted with Scrofula, Kings' Evil, Cancer, Erysipelas, Old sores, Ulcers, Tetters, Mercurial Diseases, or any other disease arising from impurities of the blood, are requested to read the following testimonials, in proof of the wonderful properties of the above named medicine.
READ! READ! READ!!!
We the undersigned, having visited Mr. Isaac Brooks, Jr., at the office of Messrs. Rowand & Walton, 376 Market st., Philadelphia, consider his case the most remarkable one we ever witnessed, and for this reason was SCROFULA, and terrible sores had been his twelve years conflict with the disease. His Palace, the entire roof of his Mouth, Nose, Upper Lip, and lower lid of the nose were destroyed, his Face, nearly eaten up, and part of the Jaw Bone carried away. And yet can give no description of his case.
Mr. B. informs us that in January last, the whole of his mouth, as well as most of his face, was a mass of deep and painful ulcers. On the 14th of January last, he commenced taking Dr. Cullen's Indian Vegetable Panacea, which checked the disease in a few days, and from that time the cure has progressed with intermission. New flesh has supplied the place of the deep ulcers, and though badly disfigured, his face is sound, and his general health is restored.
We are assured that in the treatment of Mr. Brooks' case, no Mercurials, Ointments, or Caustic Applications have been used, and that the Panacea alone has wrought this wonderful change.

The above named medicine, (constituted but a small portion of those who have visited Mr. Brooks at our office in Philadelphia, and would certify to the same acts if necessary) are well known, and their high standing in society includes the ideas of their lending their names to carry on an imposition.
And here we say, without the fear of contradiction, that we have not found a case of Scrofula or other disease for which we recommend the Panacea, which the medicine has not speedily relieved.
We have at this time a multitude of patients under treatment, all of whom are doing well.—Under them is one of CANCER, which was pronounced by physicians before the reach of Surgical assistance, but from all appearances will be cured in a few months.
Sold wholesale and retail by ROWAND & WAJTON, Proprietors, No. 376 Market st. Philadelphia, and also by the following regularly sub-agents.

To the Citizens of Cumberland Co.
"There is something more precious than Gold or Diamonds"—HEALTH!
THERE are some diseases that visit us so often, and become alarmingly fatal, during the summer and autumn months; especially to the young; they kill not less than seventy thousand dying yearly, and derange the stomach and bowels almost. Does not every feeling of our nature become excited in the humane desire to lessen this frightful mortality, to be not bound by every principle of religion to administer relief when in our power; and to charge our duty when we point out the greatest remedy ever yet discovered for the purpose, to the public. If there be one, or if they have a friend, a child, or a neighbor, who may chance to read this notice, that is suffering with Diarrhoea, Dysentery, Cholera Morbus, Summer Complaints, Biliousness, Catarrh of the Stomach, or any of the foregoing, let them be assured, and we guarantee a speedy cure.
Lancaster Co., Newville, Dec. 11, 1846.
Dr. Keeler—Sometime last summer your agent told me some of your Infant Cordial and Carmelite, and I was urged to try it. It so happened that I had a young child about six months old, who was unwell, and I was told to give it your medicine. I administered a few doses, and in a few days the child was well, and I was assured that the child could have a full dose of your medicine, and it would be a full dose covered their natural tone, and would have yielded, and the child rapidly recovered. I have no hesitation in saying that your medicine is the very best for the above complaints I have administered in 21 years' practice.
Very respectfully, your friend,
N. H. BOWMAN, M. D.

CONSUMPTION CAN BE CURED
Spitting Blood, Consumption, &c.
THOMSON'S COMPOUND SYRUP OF TAR AND WOOD NAPHTHA is the most certain and effectual remedy for the cure of all complaints of the throat and lungs, obstructed coughs, chronic sore throat, bronchitis, asthma; pain in the side and breast, tightness from phlegm, hoarseness, croup, whooping cough, &c. A trial will convince all of its unequalled efficacy.
Thomson's Compound Syrup of Tar and Wood Naphtha will cure Consumption!
YET ANOTHER CURE!
PAINEVILLE, April 9, 1846.
Last August a year I caught a violent cold in consequence of getting wet in a shower of rain. A circumstance so common gave me no immediate concern, supposing I should soon get rid of it. On the contrary, however, I daily grew worse; a violent cough set in, then pain in my breast and between my shoulders. I now suffered great oppression from the great secretion of purulent matter in my lungs. I became greatly alarmed, and my friends considered my situation extremely critical, the more so as I was unable to eat, and at night I was unable to breathe. I took in all nine bottles, and am now perfectly restored. It is now six months since I ceased using the medicine and the cure remains perfect. I firmly believe this medicine is far superior to every remedy for consumption of the Lungs.
