Pine Oil and Solar Lamp Lamps.

M. B. DYOTT & KENT, Lamp Manufacturers, Chestnut, Philadelphia, have constantly on hand a complete assortment of DYOTT'S Patent Improved PINE OIL LAMPS, which are superior in construction, more simple in arrangement and embrace improvements and advantages possessed by no other lamps. The lamps are so constructed that they can be burned dry, when the Wick is short. The Wick, which is consumed, being supplied with oil by a feeder beneath it, and the arrangement keeps the oil always pure in the lamp, and renders other cleaning altogether unnecessary, and the recent improvements made by the patentee, adds beauty to their appearance, and renders their management so easy, that a child can take care of them. They are perfectly safe, and free from unpleasant odour.

In addition to the above, we have a large and handsome assortment of DYOTT'S NEWLY IMPROVED SOLAR LAMP LAMPS, a great variety of patterns; Hanging Lamps, suitable for Churches, Stores, Halls, Parlors, Lodges, Rooms, Halls and Billiard Saloons, and Lamps with shades, designed for reading, and for every other purpose where light is required. A handsome variety of CANDELABRAS, BOUQUET HOLDERS, and every article pertaining to the lamp business. Having every facility for manufacturing, we are prepared to sell, wholesale and retail, as cheap as any other dealers, and the articles are warranted equal in appearance, and superior in construction, to any that can be produced elsewhere.

Shepherd's Vermifuge.

PARENTS, Physicians and Nurses, from the following certificates of cure of fits by Shepherd's Vermifuge. We have in our possession thousands of certificates which it is needless to publish here, as this shows the virtue of the medicine and its harmlessness. Remember that Shepherd's Vermifuge never sickens children, and never fails to give them a good appetite—it combines many valuable properties independent of the worm destroying, &c. It is doing good wherever it is used.

New Berlin, Union Co., Pa.,
July 12, 1847.

My child four years old has been subject to fits from the age of four months, and pronounced by the physicians after their utmost exertions to be incurable—and at one time despaired of her life and said she would not live two hours, refusing to leave medicine for her, saying it would be of no use. I could not induce myself to believe that worms were not the cause of her disease, in consequence of which I purchased three or four bottles of Jaynes' Vermifuge which I used according to direction without it producing any good effects. I next used Morrison's without any better success, besides various other kinds, but to no purpose. Mr. E. Wilson, Agent of Shepherd's Vermifuge, induced me to try Shepherd's Worm Destroyer, which I did happy to say after using three bottles entirely cured her, a large quantity of worms having been expelled. She had been so long afflicted by having fits every day, that she had not been able to walk or talk until the last six months since using Shepherd's Vermifuge. She has commenced to talk and walk and I am satisfied that Shepherd's Vermifuge has produced all these happy results, and therefore recommend it as an invaluable medicine. Price 25 cents per bottle.

DAVID MAUCK.

The following certificates are from citizens residing in Franklin county, Pa., and who are known to many of the readers of the Volunteer:

ROCKSWOOD, Pa., April 29, 1847.

After having used, without success, a Vermifuge which was held in high estimation, I was induced to try Shepherd's. To my daughter, who is eight years old, I gave four doses, and which had the effect of expelling a large number of worms. I am recommending it as a good article.

Shepherd's Sarsaparilla.

THIS medicine will please examine and see that they get Shepherd's Sarsaparilla as there are many preparations by the name of Sarsaparilla. Shepherd's never fails to cure long standing cases of Rheumatism, Scrofula, Tetter, Ringworms and Consumption. Of the numerous certificates of cure read the following:

YELLOW SPRING, Blair Co., Pa.,
August 11, 1847.

I purchased two bottles of Shepherd's Sarsaparilla and administered it to my boy seventeen months old who had been afflicted with scrofula for six months. I am happy to find him entirely cured, his lungs of his neck having disappeared so as to leave no sign of their ever having been there. His health is as never fails at all appearances as if he had never been afflicted with the disease mentioned.

ALLEN J. GREEN.

Mr. Green is well known in Blair county, a respectable farmer and his veracity will not be doubted by any one who knows him.

For pimples on the face, Shepherd's Sarsaparilla is a most effectual cure. It purifies the blood and thereby gives beauty to the eyes and complexion.

RHEUMATISM.

This disease in its acute form is inflammation of the membranes of the joints, with a disposition to migrate or shift from one joint to another, or to certain internal organs, and especially to the membrane of the heart. In this form of rheumatism there is occasionally fever; the joints are much swollen and excessively painful. In the chronic variety, there are no marked constitutional symptoms, but in many cases, particularly in debilitated habits, when the general health of the body has been deranged by previous illness, the joints are much swollen and a permanent distortion of the joints and enlargement of the limbs are almost certain to follow. Many medicines have been produced, and which were represented as being certain cures for this disease, but all, or nearly so, have failed to receive the confidence of the public. At this time no medicine has been so successful for the alleviation and absolute cure of this troublesome and exceedingly painful disease.

Eruptions of the Skin.—These are exhibited in various forms. Pimples and blotches of the face, which so frequently disfigure the most admired features, these, with Cancerous Affections, Dyspepsia, Neuralgia, Jaundice, &c., produce quite a formidable array of complaints resulting from impurity of the blood.
