Wailst the interest of agriculture, of commerce, and of navigation have been calarged and invigorated, it is highly gratifying to observe that our manucation of Congress.

In the U. States are subject to the same rate of defences neighboring tribos. Prompt measures were taken to prevent such occurrences in future. Between one and two thousand Indians belonging of the result of the operation of the result of the operation and its branches has exceeded twenty millions of the revenue system established by the act of 1846, On the contrary, the number of manufactories, and the amount of capital invested in them, is steadily been received at New York; and fa branch mint.
