## LATE FROM MEXICO.

*Important and exciting—Gen. Anaya elected President—A peace Cabinet constituted—Peace negotiations re-opened—Arrest of Gens. Worth and Pillow—Execution of Guerrillas—Execution of Mexican Officers violating Parole.*

NEW ORLEANS, Dec. 13, 1847.

Our pony Express arrived yesterday, bringing a Picayune extra of the 13th.

The schooner Portia, Capt. Wakeman, arrived here on Sunday afternoon.

The news by these arrivals is very important; and first of all, the story about Santa Anna's being at the head of 18,000 men, and threatening and overawing Congress, and the despatch of Gen. Worth to Queretaro, to protect Congress—all turns out to be mere moonshine.

General Anaya was elected President of Mexico on the 11th inst. He has once before been Provisional President. His present term of office extends only to the 8th of January next. He is known to be in favor of peace. In forming his cabinet, he continued Mora y Villamil in the War Department, and made Pena y Pena, late the President, his Secretary of State. The whole administration is in favor of an honorable peace, and one of its first acts was to despatch a commission to the city of Mexico to re-open negotiations with Mr. Trist.

The next most important intelligence by this arrival is the reported arrest of Gen. Worth, General Pillow, and Lieut. Col. Duncan, by Gen. Scott. The verbal report is that letters written by these gentlemen, reflecting upon the commander in chief, have fallen into his possession, upon which he at once arrested them.

Here is an extract from a letter which gives us an account of a sharp affair with guerrillas, which is very creditable to our arms:

MEXICO, November 19, 1847.

On the 8th inst. thirty-six wagons belonging to merchants in this city and Puebla, left the latter place with a lot of tobacco, dry goods and brandy, destined for this city. On reaching San Martin, Gens. Rea and Torrejon, in command of the gurrilla forces there, made a descent upon the wagons, captured them and started off for Queretaro, via Tlascala. Information was conveyed to Gen. Lane at Puebla, who started after them with a force of infantry and the cavalry in command of Capt. Roberts. When they reached Tlascala they found the enemy there; and Capt. R. who had been sent to the rear of the town, seeing a movement to run off the train, charged upon the guerrillas, completely routing them, killing seventeen and taking thirteen officers prisoners. In the mean time a portion of the wagons which had been taken a mile from the town by a party of the enemy, were set on fire and six destroyed, before the infantry came up, who rescued the remainder. I think this will be a lesson to the guerrillas, and teach them that the Americans are determined to protect the mercantile interests of this country, no matter to what nation the merchants may belong.

Santa Anna has assumed the command of the army in Oajaca. He says that he was deprived of the command by Pena y Pena, in order that the latter might find no obstacle in making peace with the Americans. He avows his determination to oppose any negotiation for peace with the American forces occupying any portion of the Mexican territory.

Mora y Villamil has been nominated Secretary of War. Tornel left Queretaro on the 14th for Morelia, to take up his quarters there as general.

Yesterday a new paper called the Yankee Doodle, made its appearance. Yours, &c. C.

Percy M. Doyle, Esq., the new British Minister or *Charge* arrived at Vera Cruz in the steamer Vixen on the 30th ult.

The Arco Iris says that Gen. Patterson's division left Jalapa on the 25th ult. Before his departure he hung on the 23d, two American teamsters, for having killed a Mexican boy 12 years old. He caused also to be executed, the next day, the two Mexican officers, Garcia, and Alcade, (belonging to the 8th and 11th regiments,) who were taken prisoners commanding guerrillas, without having been exchanged. The people buried them in great pomp and ceremony, upon which Gen. Patterson sent for the alcalde, who said that the funeral had been spontaneous with the people, and that he had not power to prevent it; besides he remarked that notwithstanding the great numbers who had attended the ceremony, order had not been disturbed in the slightest manner.

We have been informed that Padre Martin (the second Jaraunta) has been made prisoner while sleeping in one of the garitas of the city of Mexico.

Senor Otero brought forward his proposition in the Mexican Congress for depriving the Executive of the power to alienate any part of the territory of the Republic by a treaty of peace. The proposition was rejected by a large majority, which is deemed a favorable omen.

## THE PRESIDENCY.

*Mr. Bratton*—In the last Volunteer, I perceive a list of papers published at the request of a correspondent, sustaining Mr. Buchanan for the Presidency.—There is no doubt a systematic movement among his friends, to make that list appear as formidable as possible, and a little of the same kind of means made use of to forestal public opinion through the press in favor of Mr. Buchanan, that was employed to secure David R. Porter's re-nomination by the Democracy of this State, for Governor in the fall of 1840, and the winter of 1841. Your correspondent says "the list is taken from the '*Pennsylvanian*,' originally published in the Doylestown (Bucks county) Democrat," but he forgot to add, that it was so published at the request of a *correspondent* of that paper, and incorrect in many of its details. It would appear from the remarks of your correspondent, that the Doylestown Democrat was a Buchanan paper, while the fact is that the only preference it has expressed editorially, has been for our present worthy and excellent Governor, Francis R. Shunk.

It is stated in this "list" that "writers in the Chambersburg Valley Sentinel urge the claims of Mr. Buchanan and Judge Breese, of Illinois, for the same position" (the Presidency)—and the inference is to be drawn, that the Democracy of Franklin county are divided between *these two* candidates, although it is notorious that Mr. Dallas has many and warm friends in that county, and that his claims have been urged through the columns of this same Valley Sentinel, "for the same position." It is also notorious, that whoever else may get the support of the Democracy of Franklin, it is hardly probable that Mr. Buchanan will.

The Washington Examiner is also noticed in this same kind of ambiguous way, which is intended to convey the impression that that paper also is in favor of Mr. Buchanan, and that the county of Washington will sustain him, when from the last advices, it stands about in the same way as the county of Franklin.

Numerous other mistakes might be pointed out in this "list," but I do not wish to occupy your valuable columns to the exclusion of matter of more importance.

I have only mentioned these things to show that a want of *fairness* which some of the friends of Mr. Buchanan have been charged with, and which appears to have been taken as a very ill natured and malignant charge, is really but too true.

Your correspondent says this "list" is taken from the "Pennsylvanian," which is manifestly and decidedly in Mr. Buchanan's interest.

While on this subject, I may as well state that the magnanimity of Mr. Buchanan's friends is not so manifest. The editor of the Lancaster Union, a federal paper, acknowledges the receipt of a communication from some of Mr. Buchanan's friends, relative to Col. Frazer, Attorney General Champneys, and others, decided and prominent friends of Mr. Dallas, which was so abusive and denunciatory in its character that he refused to publish it. It was too bad even for a *Federal* paper to publish *against its own political adversaries*.

It would be well if all the friends of these two great Pennsylvanians should abstain from crimination and recrimination, and that no secret and *unfair* means be made use of to influence the public in favor of the one against the other. I must say, that I think the papers friendly to Mr. Dallas, so far as my knowledge extends, have pursued this course. JUSTICE.

## THE TERM "WHIG."

Mr. Beatty, the editor of the Herald, stated in his paper a few weeks ago, that the word "Whig" is made up of the motto, "*We Hope In God*," the initials of each word combined read WHIG. I think the *practice* of the party is, "*We Harden In Guilt*;" or rather, from the characteristic traits of the party—to wit—"*Wealth, Haughtiness, Ignorance, Grumbling*." Either of those mottos would be far more appropriate to designate the party than the one Mr. Beatty mentioned. TRUTH.
