New Bentin, Union Co., Pa., July 12, 1847.

My child four years old has been subject to from the age of four months, and pronounced by physicians after their utnose exertions to be in physician's after their utmost exertions to be incurble—and at one time dispaticed of her life and said
she would not live two hours, refusing to leave medicine for her saying it would be of no use. I could
not induce myself to believe that worms were not the
scource of her disease, in consequence of which I
purchased three or four bottles of Jaynes vermings
which I used according to direction without it producing any good effects. I next used Morisonwithout any better, success, besides various other
kinds, but all to no purpose. Mr. E. Wilson, Agen
of Shepherd's Vermifuge, induced me try Shepherd,
of Shepherd's Vermifuge, induced me try Shepherd,
of worms having been expelled. She had been to
long afflicted by having fits every day, that she had
not been able to walk or talk until the last six months
ainco using Shopherd's Vermifuge. not been able to walk or tulk until the last six mont since using 'Shopherd's Vermifuge. She has co monced to talk and walk' and I am satisfied Shepherd's Vermifuge has produced all these ham results, and therefore recommend it as an invelop medicine. Price 25 cents per bottle

The following certificates are from citizens real ing in Franklin county, Pa., and who are known to many of the readers of the Volunteer:

Rockshung, Pa., April 29, 1847.

After having used, without success, a Vernifuge which was held in high estimation, I was induced try Shepherd's. To my daughter, who is eight ten old, I gave four doses, and which had the effect c expelling a large number of worms. I can recor mend it as a good article.

JAMES SHOEMAKER.
