My child four years old has been subject to a from the lige of four months, and pronounced by the physicians after their utmost exertions to be incumend at one time dispaired of her life and ble—and at one, time dispaired of her life and said she yould not live two hours, refusing to leave med-cine for her saying, it would be of no use. I cou-not induce myself to believe that worms were not to not induce myself to believe that worms were not the scource of her disease, in consequence of which I purchased threeor four holdes of Laynes Vermiuge which I used according to direction without it producing any good effects. I next used Morison's without any better success, besides various other kinds, but all to no purpose. Mr. E. Wilson, Agent of Shepherd's Vermifuge, induced me try Shepherd's Worm Destroyer, which I am happy to say after used in the second of the second of worms having been expelled. She had been so long afflicted by having fits every day, that she had not been able to walk or talk until the last six months in since using Shepherd's Vermifuge. She has come results, and therefore recommend it as an invalua medicine. Price 25 cents per bottle.

After having used, without success, a Vermifuge which was held in high estimation, I was induced to try Shepherd's. To my daughter, who is eight years four doses, and which had the effect of Rocksbune, Pa., April 29, 1847. old, I gave four doses, and which had the effect of expelling a large number of worms. I can recommend it as a good article.
