John B. Bratton, Editor and Proprietor. CARLISLE, THURSDAY, FEBUYY, 10, 1848.

16. V. B. PALMER, Esq. is our authorized Agont for pro-tring advertisements, receiving subscriptions and making illections for the *American *Pointer; at his office, N. W. brase of Tulrd and Chesnut streets, Philadelphia.

FOR PRESIDENT,

THE NOMINEE OF THE NATIONAL CONVENTION.

should this college refuse to pay taxes, we should like are acquainted with the voice of their constituents on this subject. If they are they will oppose the passage of the bill in question.

ten Mariana Cassons taken at the batter of the spiral and an attractive common property of the whole party of the common property of the

FRESH SHAD AND SOFT CRASS.—We notice that at some of the hotels in Philadelphia they are feasting on fresh shad and soft crabs!

GEN. CASS .- The Chambersburg "Valley Sentinel," the organ of the democracy of Franklin county, has placed the name of Gen. Cass at the head of its col-

auction on Friday, in the rotunda of the Philadelphia Exchange, and brought \$15,000. Andrew McMakin being the purchaser. The place was crowded to excess, and much interest was manifested in the sale. No person ventured to bid against Mr. McMackin, and he therefore got the paper at his own bid. Mr. McMuckin having entered into bonds, guaranteeing

"UNITED WE STAND-DIVIDED WE

On the result of the next election depends whether the people are to continue supreme, or whether they substant the administration in its praiseworthy course TA. are to begome subservient to the bidding of a gang in relation to the war with Moxico, at which A. H. of political gamesters, headed by such truitors to their ountry us Clay, Webster, Corwin & Co. The next A set of resolutions of the strongost character were lection will be one of the greatest importance to the people of this country—it will to a period to try nen's souls. The same party with which we had to for their treason, and culogising the firmness of the onlend during the struggle of the Revolution, and Government in sustaining the honor and dignity of the same men who plotted treason in 1812, with all the accumulated force their deprayed ingenuity with the aid of ill-gotten power can entist, are again at which was received with great applause. He was TEMPERANCE LECTURE. The Rev. John Chambers, work in slandering their country. The Federalists bold, animated, and patriotic. Mr. Houston was of Philadelphia, at the request of the friends of the know very well that they never can succeed when followed by Gon. Foote, Senator from Mississippi, cause, will return to Carlisle on the 14th inst., for the the Democratic party is united, and their whole efpurpose of delivering one or more lectures in defence forts at present are directed to create a "split" in From the speech of the last named gentleman, we of the principles of Temperance. The first lecture our party. But wo to that Democrat who forgots take the following extract. We may hereafter pubwill be delivered in the First Presbyterian Church. his duty next fall! His conscience will upbraid him

will be delivered in the First Presbyterian Church. The principal object in Mr. Chambers again-paying our town a visit, as we have been told, is for the purpose of answering the objections contained in a recent discourse of Rev. Mr. Lille, in which he took strong grounds against the order of the Sons of Temperance. We have no doubt the controversy between these two gentlemen be selected to precide at each meeting during the controversy by to act as Moderators.

Valentines.—Kneedler has supplied himself with a splendid variety. Call at his store, next door to Bectem's hotel.

Dickisson College.—We learn that an effort is being made in the State Legislature to get a bill present exempting this institution from the aversions of the varieties. But it is indeed a vain hone of a futful present time, that they are not patients of the present time, that they are one admirably calculated to call forth the patriotism of the republic. Patriotism, the present war with Maxico is such that the Felevalities expect only to such a subject to the answering the objections contained in a recent discourse of Rev. Mr. Litle, in which took such that the Federalists expect only to such a such that the Federalists expect only to such that the Federalists expect only to such a such that the Federalists expect only to such that the Federalists expect only to the republic. Tatriotism, fis an old and sterling of the republic. Patriotism of the republic tranks, and to effect this, they are using every means, fair and foul. Throughout the whole class of whole country, north, south, cast and west, they have set their netts, and are lying in wait to entrap the whole country, north, south, cast and west, they have set their netts, and are lying in wait to entrap the proper that they be their netts, and are lying in wait to entrap the proper that they be only the patriotism of the remarks of Gene, Houston; and the remarks of Gene, Houston; fellow-titles of the republic tranks, and to effect this, they have set their netts, and are lying in wait wetter that the same are of the with how a first day in the same price of the charge of an indicated frimpt. placed the name of Gen. Cass at the head of its columns as its first choice for the Presidency.

Money at Interest.—Auditor General Purviance has given a written opinion, to the offect that moneys at interest are not texable for borough, road or poor purposes. In many of the townships they have herstofore been taxed for such purpose.

The Saturday Courier was sold at public suction on Friday, in the rotunda of the Philadolphia

as a cause of our prosperity during the past year:

"Mr. Polk boasts, and probably truly, of the country.

But he ought to be reminded, that great part of Europe was, during the past year, tributary to American for food and provisions. The gold of England, France, Belgium, Germany, Spain, Scotland and Ireland, have gone, during 1847, to swell the coffers of the American farmor, merchant, factor, and shipower. But, oro the year 1848 shall have sounded its knell, America may have known and felt worse a crises than any endured by Great Britain."

If the reader should be anxious to know the source

that the paper should bring \$30,000, the \$15,000 therefore goes to Mrs. Holden, as her interest in the concern.

Err Bank—As the notes of this Bank have for a time, been discretized, we copy the following article concerning it, from the "Bire Observer," of the Still January!

New see that the notes of the Eric Bank are not in very good repute in Claveland and some other youts on the Eaks. Billholders, however, need have no feers in regard to lite solvency, and should not part, with them et. at discount, we may sufficient in it to most all its liabilities."
