This gentleman has been nominated by the De-operatio State Convention for the office of Canal Commissioner, and we are free to say that a better pelection could not have been made. We have known Mr. P. for many years. He hails from the "Star of the West," old Westmoreland, and not many years simils was one of the Representatives from the ty in the State Legislature. He is a man of great energy of character, and a Democrat of the right stamp. Should he be elected-of which there is not a doubt-he will make a most excellent officer, and a valuable one for the Commonwealth. We place the name of Israel Painter at our most head, and shall do battle for him with a hearty good will.

We prefer a comfortable car to the sleigh at any time. Return. ing from Harrisburg a few evenings since, the loco. notive, instead of continuing its course on the iron track as it ought to have done, took a notion to run into a field-leaving the train and passengers alone in their glory on the track. It was all folly to attempt to get our fron horse on the road again, and the passengers got along to Carlisle the best way they could. The locomotive was still puffing and

of sleigh riding.

Sleigh riding is nt it very good fun,
With the mercury almost to thick too run,
Down below zero twenty-one? When, if you sneeze,
The spray will freeze,
And your legs are numb as high as your kneeze,
Glorious pastime is this, I ween:
How you admire the allvery scene,
As your lungs collapse in the blast so keeh,
Of nose and ears, as the steeds progress,
You measantly lose all consciousness; You pleasantly lose all consciousness;
And the buffish hide,
And the cap well tied,
And the weblien at ceteras too, beside,
Are poweriess all to thield off the blast
That knifes your vitals in hurrying past.

Oh, 'tis fine, on a moonlight night, ms with the ley winds to fight!
And frost bitten ears, when the race is done;
Aptly close the "capital fun."
