Taxauvar—Joinson, conjessing, 19, up 4 Yus, 331, worst, 4900, harden M. Auther 1998, and 1998, and 1998. The street of the stree

the first place in his cabinet,—a position formerly filled by Japperson, Adams, Clay, Van Buren, Wesfilled by Jafferson, Adams, Clay, Van Burrn, Webstre, Californ, and other of the master intellects of
the age. It is unnecessary to allude to the manner
in which he has mot the expectations of the President
and the country, in this responsible and arduous position, filled during one of the most eventful admisistrations in our history, and bearing intimately upon
our relations with foreign governments. The admiration which greeted his masterly argument on the
Oregon question, and which has since applauded the
ability with which he has assorted our country's cause
in his correspondence with the Mexican Ministers,
is a proof that James K. Polk knew where to find a
wiso, a profound, and an experienced statesman,

Senator in Congress, to which the skilled diplomatial;—these times elected him, and the skilled diplomatial;—these are the titles which he has successively carned, during a fong and an honorable career. If he cannot boast of the recollection of a wealthy and aristocratic ancestry, he will at least-leave behind him a name that will live in the hearts of his countrymen while that will live in the hearts of his countrymen while cannot have an admirer, liberty a friend; or America Senator in Congress, to which his native State three times elected him, and the skilful diplomatint;—these Patriot.
The fame of James Buchanan is national. It is

enemy of the humiliating tergiversation of those who, with all the right on their side, permitted the blood of outraged innecense to go unavenged, and would have been rejoiced to instruct our courts to pronounce a verdieg in payors of Bairish markaupers. In Maine, he is splauded as the unflinehing statesmap who, even for peace, would not see his country dishonored by a tame surrender of our territory and inherent rights, to his devertment whose towering ambition and love of dominion had just been rebuked by the opportund interposition of but representative at the French court: an Michigan the noble effort of Mr. Buchanan, in 1837, in favor of the admission of that State into the confederacy, an effort distinguished by the advocacy of the right of popular government in the hose effort of Mr. Buchanan, in 1837, in favor of the admission of that State into the confederacy, an effort distinguished by the advocacy of the right of popular government in the body of the right of popular government in the state of the right of popular government in the state of the right of popular government in the state of the right of popular government in the state of the right of popular government in the state of the right of popular government in the state of the right of popular government in the state of the right of popular government in the state of the right of popular government in the state of the right of popular government in the state of the right of popular government in the state of the right of popular government in the state of the right of popular government in the popular government in the state of the right of popular government in the state of the right of popular government in the popular government in th remembers to the suffrage regard him as one of the friends of the friends of the free suffrage regard him as one of the most eloquent advocates, at a time too, when the tempost of persecution would have swept them from cristence, and when the dangeons of the landholders and Royal charterists were used to frighten them into submission. In the South, the clear and perspicious, and profound expositions of State, tighten by James Buchanas, are recorded among the productions of their ablest expounders. Each of these separate acts is well known to overy section of the country, and cach, in rapid succession, has won the application of the democracy of the country.

Tarangury Johnson, confessing to the virtue and question and including Americans, of all conditions of the condition of the c justice of a signal a kniw two indextory numerating titings and the first the country; and Clay, himself, long in the country; and Clay, himself, long in the opportunity of drawing life sword; with by blexice, war, thus precipitated, became the first pulled; and the sword to find updated; to defend, to defend, to day. The favorite measures of Federalism are became the potent and irresistible seems to avenge

unanimously recommend him to the support of the Democratic party of Pennsylvania.

Respleed. That we heartily approve of the Inde-

Resulted. That we hearlily approve of the Indeability with which he has assorted our country's cause
in his correspondence with the Mexican Ministers,
is a proof that Janes K. Polik knew where to find a
wise, a profound, and an experienced statesman,
when he appointed Janes Buchanan Scoretary of
State.

We deem it unnecessary to alludo, at any length,
to the political history of Janes Buchanan. Every
true Pennsylvanian knows it by heart. The ardent
young American, who volunteered to defend his
country, during the two the friend of Jaceson, who appointed him a foreign mission during his first
session of Congress,—the friend of Jaceson, who appointed him minister to one of the most polished
courts of Europe,—the able, intropid, and vigilant
Senator in Congress, to which hie native State three
times elected him. and the skilled the lands and the lands and the skilled the lands and the s traces or the disgraceful Asiman amendment to the thanks of Congress to Gen. Tarlon, by which, after honoring the here for his valor, his fair fame is soiled by a falschood, in regard to the war; and that we trust that the Hon. James Thompson, the author of the resolution to expuge it will preserve until the

The fame of James Buchanan is national. It is not confined to our good old Pennsylvania. Among the hardy and daring settles of the West, he is spoken of in terms of familiar gratitude, as the carly and cloquent advocate of pre-contino rights, against the power of Federal persecution. On the New York frontier he is regarded as the manly and fearless enemy of the humiliating tergiversation of those who with all the right on their side, permitted the blood of outraged innocense to go unavenged, and would Resolved, That the tariff act of 1846 has realized

Cass as a great and glorious man; and whilst we re-iterate that the Democracy of Pennsylvania infinitely prefers their own great and pure man, Buchanan,
