

For political offices and misdemeanors against the laws which regulated the press. On Wednesday the following is the Paris news: On Wednesday the amount of discount commenced its operations. On Monday already 6000 accounts were opened, and there were 6000 demands for about a million francs made on Monday, and on Tuesday about 1,200,000. This establishment will render great service to commerce, and has already exercised some influence on the restoration of confidence. The Bourse yesterday was steady and the prices of the preceding day were lower. The precious metals have arrived in considerable quantities within the last day or two, and gold has fallen from 10 to 5 per cent. premium. The price of bread has been reduced in Paris. The movement in Germany relieved Europe from the shadow of a general war. There is no longer the apprehension of a general war. All nations are revolutionizing, and sympathy has taken the place of fear, and half free states with kindred institutions, can no doubt quarrel as well as despotisms, but the chances are that the peace is now likely to endure for some years.

**Geo. H. Traphagen, M. D.**  
(LATE ASSISTANT SURGEON, U. S. N.)  
**Family Medicines.**  
THESE Preparations are the result of long experience and extensive practice. Great science and skill are used in their manufacture, and such are their efficacy and safety in every form of disease, that they truly deserve the name of Family Medicines. During a practice of more than twelve years, seven of which were on board various public vessels as Assistant Surgeon in the United States Navy, he has never had a case of fever, cold, influenza, or such a disease as the throat, that has not readily yielded to his Pulmonic Mixture. Thousands have been saved from a premature grave by its use. To public benefactors and persons of weak lungs it is a great remedy, as it allays irritation and gives tone and vigor to the voice.  
**DR. TRAPHAGEN'S PULMONIC MIXTURE**  
has cured and is warranted to give relief in all cases of cough, cold, bronchitis, influenza, hoarseness, sore throat, catarrh, asthma, liver complaint, spitting blood, chronic, whooping cough, consumption, and every Disease with which the throat, breast or lungs may be affected.  
The following eulogiums, from persons of character, will show that the Pulmonic Mixture is capable of performing. No family should be without it in their house.  
New York, Nov. 4, 1847.  
This is to certify that I had a severe attack of Bronchitis and pain in my lung, and used only three bottles of Dr. Traphagen's Pulmonic Mixture, and it relieved me in a few days.  
B. MACLIN, Engraver, 33 Fulton st.

**DR. TRAPHAGEN'S PULMONIC MIXTURE**  
I have used Dr. Traphagen's Pulmonic Mixture in my family. My children were afflicted with a severe cold and cough, and it relieved me in a few days.  
I tried many articles, Sherman's Lozenges and Winter Balsam without relief. I then applied to Dr. Traphagen for his invaluable mixture, which gave me immediate relief. At one time I was myself suffering under a severe cold which settled on my lung, and after taking one bottle I was much relieved, and the second made a perfect cure. If any one wishes to convince themselves of the above facts, let them call on me at my residence, No. 23 James street.  
ANN KAYHOOD.  
This will be seen no one need suffer from any of the severe complaints arising from cold, since the Pulmonic Mixture is sold at a price that places it within the reach of all. ONE DOLLAR per bottle.  
Also put in Half Bottles at 50 cents, containing sufficient to cure an ordinary case of cold or influenza. Purchasers will observe that every bottle has the written signature of Dr. Traphagen on the label, without which none can be genuine.  
New York, Nov. 1, 1847.  
This is to certify that I have used in my practice while engaged in the United States Navy for seven years the Pulmonic Mixture which I now offer to the public, and never know of its failing to cure in the most obstinate cases. I also have used it in my practice on shore for the last five years, and found it equally efficacious in long standing cases of severe cold and affection of the lungs.

**Health! Health!**  
THE MOST EFFECTUAL OF ALL KNOWN REMEDIES!  
**Dr. Drake's Panacea,**  
THE ONLY RADICAL CURE FOR CONSUMPTION!  
It also removes and permanently cures all diseases arising from an impure state of the blood, viz: Scrofula or King's Evil, Rheumatism, Obsolete Cutaneous Eruptions, Pimples or Pustules on the face, Blisters, Ulcers, Chronic Sore Eyes, Ring Worms, or Tetter, Scald Head, Enlargement and Pain of the Bones and Joints, Stomach Ulcers, Syphilitic Symptoms, Scalds or Lumbago, diseases arising from an impudic use of Mercury, Dropsy, Exposure or Imprudence in life also, Chronic Constitutional Disorders.  
In this thielid several innumerable but very potent articles of the vegetable kingdom are united, forming a compound entirely different in its character and properties from any other preparation, and unrivaled in its operation on the system when laboring under disease. It should be in the hands of every man, woman, or child, who, by business, or general course of life, is predisposed to the very many ailments that render life a curse, instead of a blessing, and so often result in death.  
FOR SCROFULA.  
Dr. Drake's Panacea is recommended as a certain remedy. Not one instance of its failure has ever occurred when freely used. It cures the disease and at the same time imparts vigor to the whole system. Scrofulous persons can never pay too much attention to the state of their blood. Its purification should be their first aim for perseverance will accomplish a cure of even hereditary diseases.  
FOR ERUPTIONS OF THE SKIN,  
Scoury, Scrofulous Affections, Tumors, White Swelling, Erysipelas, Ulcers, Cancors, Rindling Sores, Scabs and Blisters, Dr. Drake's Panacea cannot be too highly extolled; it searches out the very root of the disease, and by removing it from the system, makes a cure certain and permanent.  
INDIGESTION OR DYSPEPSIA.  
No medicine perhaps has ever been discovered which gives so much tone to the stomach and causes the secretion of a healthy gastric juice to decompose the food as Dr. Drake's Panacea.  
RHEUMATISM.  
Dr. Drake's Panacea is used with the greatest success in Rheumatic Complaints, especially such as are chronic. It cures by driving out all impurities and puts nature on a healthy basis. A single bottle will cure the most obstinate Rheumatism, Gout, and swellings of the joints. Other remedies sometimes give temporary relief; this entirely eradicates the disease from the system, even when the limbs and bones are dreadfully swollen.  
CONSUMPTION.  
CONSUMPTION can be cured—Coughs, Catarrhs, Bronchitis, Spitting of blood, Asthma, Difficult or profuse expectoration, Hectic Flush, Night Sweats, Pain in the side, &c., have been cured, and can be with as much certainty as any other simple disease. A single bottle has long been sought for, but in vain until the discovery of Dr. Drake's Panacea. It is mild and safe but certain and efficacious in its operation, and cannot possibly injure the most delicate constitution. We would earnestly recommend those afflicted to give it a trial—and we believe they will not have occasion to regret it. The system is cleansed and strengthened, the ulcers on the lungs are healed, and the patients gradually regain their usual health and strength. Read the following:  
TESTIMONY.  
PAID, Dec. 14, 1847.  
Dear Sir:—In reply to your question respecting the use of Dr. Drake's Panacea, I will say, that although a perfect disbeliever in the existence of a Panacea, or cure for all diseases, however valuable it may be in certain conditions of the system, still I have believed that a cure for Consumption would be discovered sooner or later, and cordially led me to try your medicine in two very intricate cases. They were pronounced by the attending physicians to be pulmonary consumption, and abandoned by them as incurable. One of the persons had been under the treatment of several very able practitioners for a number of years, and they said she had "old-fashioned consumption" combined with scrofula, and that she might linger for some time, but could not be permanently relieved. In both cases the effect of the Panacea has been most gratifying. Only four or five bottles were used by one of the persons before she began to improve rapidly. The other took about ten bottles, and only after that time she began to improve. I will only add that familiar as I am with consumption by inheritance and by extensive operation as a physician, and knowing also the injurious effects in a number of cases of use of tartar emetic, and other vegetable tonics, as well as of many of the expectorants, I feel satisfied, I should never have recommended the use of Dr. Drake's Panacea if I had not been acquainted with the ingredients. Suffice it to say that these are recommended by our most popular and scientific physicians, and in their present combined state, form probably the best article of the nature of Panacea ever prepared in accordance with a theory of consumption broached in France a few years ago, by one of her most eminent writers on medicine, and now established by facts which admit of no dispute.  
Very respectfully Yours,  
L. C. GUNN.  
To use the Panacea of another, "Dr. Drake's Panacea is always salutary in its effects—never injurious. It is not an Opiate—it is not an Expectorant. It is not intended to lead the invalid into a fatal security. It is a great remedy—a grand healing and curative compound, the great and grand Panacea for the treatment of this blithered unconquered malady. And no person afflicted with this dread disease, will be just to himself and his friends, if he go down to the grave without testing its virtues. A single bottle in the most advanced cases, will produce a favorable change in the condition of any patient, however low."  
TO THE LADIES.  
Ladies of pale complexion and consumptive habits, and such as are debilitated by the use of narcotics, and such as are unable to be restored by the use of a bottle or two, to bloom and vigor. It is by far the best remedy ever discovered for weakly children, and such as have had humors; being pleasant, they take it. It immediately restores the appetite, strength and color.  
Nothing is more surprising than its invigorating effects on the human frame. Persons, all weak and languid before taking it, at once become robust and full of energy under its influence. It immediately counteracts the nervousness of the female frame.  
CAUTION.—Be careful and see that you get the genuine DR. DRAKE'S PANACEA—it has the signature of Geo. F. STROUD on the wrapper—and also the name "Dr. Drake's Panacea, Phila." blown in the glass.  
Prepared only by STROUD & CO., Druggists, No. 21 North Sixth street, Philadelphia.
