Consumption, Asthma, Bronchitis, Spitting Blood, Pain in the Side and Breast, Sore Throat, Hoarseness, Catarrh of the Heart, Whooping Cough, Croup, Hives, Nervous Tremors, Liver Complaint and Diseased Kidneys, are radically cured by THOMSON'S COMPOUND SYRUP OF TAR AND WOOD NAPHTHA.

ALTHOUGH the great fatality of Pulmonary Disease, at this time shows that there are particular cases that render still too applicable the designation of *apropria medicorum*—the disgrace of physicians—to this class of diseases; and that there are in their progress, which having once been treated, recovery is doubtful. Still no one should despair. The writings of physicians, who have given to these affections particular attention, abound with many recorded cases of recovery when the patient had a seeming hopeless stage of the disease; and there is, at this time, a remedy prepared in Philadelphia which has met with the most triumphant and cheering success in the most obstinate forms of Throat and Pulmonary diseases—so as to have obtained the sanction and employment in the practice of many physicians.

Allusion is had to Thomson's Compound Syrup of Tar and Wood Naphtha—the preparation of one, who, having given to the diseases of the lungs and their kindred, the most careful and thorough attention, presented to the public this great remedy.

The soothing and curative power of Tar has often been observed in severe coughs and consumption—But in the present preparation, beside some of our most valuable vegetable resources there is combined with it the Wood Naphtha, a medicine but lately introduced, but which has been employed with the most satisfactory results in England, in pulmonary consumption, especially of a tuberculous form.

Read the following from Dr. Yocco, the eminent oculist: PHILA., January 16, 1847. Messrs. ANONY & DICKSON—Gentlemen.—Having recommended in my practice, and used in my own family, Thomson's Compound Syrup of Tar and Wood Naphtha, I have no hesitation in saying that it is one of the best preparations of the kind in use, and persons suffering from colds, coughs, affections of the throat, breast, &c., so prevalent at this season should not neglect to use any medicine that will cure the present consumption sooner than Thomson's Compound Syrup of Tar and Wood Naphtha.
