See what Sherman's Lozenges have Done.

SHERMAN'S Worm Lozenges will immediately remove all these unpleasant symptoms, and restore to perfect health. Sister Ignatius, Superior of the Catholic Half Orphan Asylum has added her testimony in their favor, to the thousands which have gone before. She states that there are over 100 children in the Asylum, and that they have been in the habit of using Sherman's Lozenges, and she has always found them to be attended with the most beneficial effects. They have been proved to be infallible in over 400,000 cases.

Consumption, Influenza, Coughs, Colds, Whooping Cough, Tightness of the Lungs or Chest may be cured. Rev. Darius Anthony was very low from Consumption. Jonathan Howarth, the celebrated temperance lecturer, was reduced to the verge of the grave by raising blood. Rev. Mr. Dunbar, of New York, the Rev. Mr. De Forest, Evangelist in the Western part of this state, Rev. Sebastian Streeter, of Boston, the wife of Erasmus Dibble, Esq. in Moravia, and hundreds of others, have been relieved and cured by a proper use of Sherman's Cough Lozenges, and no medicine has ever been offered to the public which has been more effectual in the relief of those diseases, or which can be recommend with more confidence. They allay all itching or irritation, render the cough easy, promote expectoration, remove the cause, and produce the most happy and lasting effects.

Headache, Palpitation of the Heart, Lowness of Spirits, Sea-Sickness, Despondency, Faintness, Cholic, Spasms, Cramps of the Stomach, Summer or Bowel Complaints, also all the distressing symptoms arising from free living, or a night of dissipation are quickly and entirely relieved by using Sherman's Champhor Lozengers. They act speedily and relieve in a very short space of time, giving tone and vigor to the system, and enable a person using them to undergo great mental or bodily fatigue.

Rheumatism, Weak Back, pain and weakness in the Breast, Back, Limbs and other parts of the body are speedily and effectually relieved by Sherman's Poor Man's Plaster, which costs only 12½ cents, and is within the reach of all. So great has become the reputation of this article, that one million will not begin to supply the annual demand. It is acknowledged to be the best strengthening Plaster in the world.

Beware of Imposition.—Dr Sherman's Poor Man's Plaster has his name with directions printed on the back of the Plaster, and a ☞ *fac simile* ☜ of the Doctors written name under the directions. None others are genuine, or to be relied upon. Dr. Sherman's Warehouse is No. 106 Nassau st. New York.

Philadelphia China Store.

THE subscribers, proprietors of one of the oldest and most extensive China Stores in the United States, have now on hand a very large supply of

Common Ware, Granite Ware, China Ware, and Glass Ware,

embracing all the varieties ever imported, which they will sell in large or small quantities, Wholesale or Retail, to suit the wants of the people, at prices to defy competition.

The advantages to be derived from having a large stock to select from, ought certainly to be apparent to every one; only two need be mentioned:

1st. The variety to please the taste.

2d. The advantage of purchasing at the lowest prices; for it is certainly evident to every thinking mind, that the larger the business done, the smaller the profit required. It is so in every branch of trade. The manufacturer sells to the wholesale package dealer; the wholesale package dealer sells to the jobber, and the jobber to the retail country dealer: so that the farmer or consumer of the article pays at least four profits!

Why pay so many profits when you can come directly to head quarters?

Read this Attentively!

DOCTOR HOFLAND'S CELEBRATED GERMAN BITTERS,

WILL effectually cure the Liver Complaint, Jaundice, Dyspepsia, Chronic or Nervous Debility, Indigestion, Flatulence, Asthma, Diabetes, Disease of the Kidneys, Pulmonary Affections, (arising from disease of the stomach and Liver,) and all diseases arising from a weak or disordered stomach in both male and female, such as Female weakness, dizziness, fullness of blood to the head, inward piles, fluttering of the heart, difficulty of breathing, constant imaginings of evil, great depression of spirits, dimness of vision, pain in the side, back, breast, or limbs, cold feet, &c.

They remove all acidity, and give tone and action to the stomach, and assist digestion; they contain no alcoholic stimulant, and can be taken by the most delicate stomach, and will in every case entirely destroy costiveness, and renovate the whole system, removing all impurities from the body, and remnants of previous disease, and give health and vigor to the whole frame, thereby preventing frightful dreams, walking while asleep, &c., which often result in accident.

The functions of the stomach are of the utmost importance to every one, it constituting the source and fountain of life, which is nutrition. No organ possesses such remarkable sympathies, none such remarkable power in modifying every part of the system. A greater number of persons fall victims to the harrassing effects of Constipation and Dyspepsia, and more organic diseases commencing in the digestive system, than all other diseases combined. The many thousands who die with Yellow Fever, Cholera, Influenza, and other epidemics, is owing to disease or derangement there. If the digestive system is in perfect health, the nervous system and the circulation of the blood will be also, as upon it they depend, then epidemics loose all their terror.

Those living in, or visiting districts harrassed with Fever and Ague annually, will find that by the timely use of one or two bottles to renovate and strengthen the system, no excess of bile will accumulate, and they will not in one instance take the disease. Prevention is far better than cure.

The rare success in treating diseases of the stomach successfully, has not been so much a want of pathological knowledge of its functions, as the preparation of suitable vegetable compounds, so as to obtain not only their whole power, but as they would be most effectual and grateful.

We are all aware that too many preparations have been, and are now before the public, that act only as palliatives, and some that change the locality of the disease, or prevent it for a short period, then it returns more formidable than in the first instance. Such prepatations have destroyed the public confidence. This article standing alone in its number of cures, and unrivalled, as thousands of our citizens can attest who have tested its virtues, can always be depended upon for the above named diseases. It will cure any case that can be cured by medicine, no matter who, or what else has failed; it will perfectly restore the diseased organic functions of the Stomach, Intestines, Respiration, Circulation, &c.

These Bitters and the Spikenard Ointment will cure any case of Inward Piles; it is a rare occurrence to require more than one bottle of each for the worst cases.

For sale at the GERMAN MEDICINE STORE, No. 278 Race st., one door above Eighth, south side, Philadelphia. In Lancaster, by John F. Long; in Harrisburg, by Daniel W. Gross; in Pittsburg, by Wm. Thorn—and by dealers generally throughout the United States.

50,000 Victims Every Year

Fall a prey to Consumption, Asthma, and Raising Blood, Hectic Fever and Night Sweats.

MRS. ADAMS, 126th steeet, Harlem, suffered a year with a cough, pain in the chests, night sweats, and all the aggravated symptoms of Consumption; nothing relieved her till she tried Sherman's Balsam—half a bottle cured her.

Ulcerated Lungs and Liver.—Mr. E. T. Lawrence, Jackson street, Brooklyn, after years of suffering, and treated by various phsicians, was pronounced incurable from ulcerated lungs and liver. Dying, as was supposed, he tried the Balsam; its effects were most miraculous; two bottles cured him.

Pleurisy and Consumption.—Mrs. Baggas, residing at 88 Sheriff street, 70 years old, has been subject to attacks of pleurisy and consumptive coughs for years. The Balsam has saved her from very great suffering.

Asthma and Consumption.—L. J. Beals, 10 Delancey street, gave it to his sister-in-law who had been an invalid for years from Asthma; to another considered as in consumption. It relieved them at once so that they travelled several hundred miles.

Spitting Blood.—Is always alarming. It leads to the worst kind of Consumption, and unless arrested in time is generally fatal. Sherman's All-Healing Balsam is the best remedy known; it heals the wounded or ruptured blood vessels of the lungs, and thereby effects a permanent cure, while other remedies only stop the blood for the time. A few doses of this Balsam will satisfy the most skeptical that it is the medicine required—It has been successful in many cases, and that too where they had run into a rapid decline, or, as more generally expressed, "Hasty Consumption." Young persons, or those of middle age, are more subject to these attack than the aged.

Price 25 cents and $1 per bottle.

SWAINS PANACEA, the genuine article, for Sale by J. A. BISHOP.

Health! Health!!

THE MOST EFFECTUAL OF ALL KNOWN REMEDIES!

Dr. Drake's Panacea,

THE ONLY RADICAL CURE FOR CONSUMPTION!

IT also removes and permanently cures all diseases arising from an impure state of the blood, viz:

Scrofula or King's Evil, Rheumatism, Obstinate Cutaneous Eruptions, Pimples or Pestules on the face, Blotches, Biles, Chronic Sore Eyes, Ring Worm or Tetter, Scald Head, Enlargement and Pain of the Bones and Joints, Stubborn Ulcers, Syphilitic Symptoms, Sciatica or Lumbago, diseases arising from an injudicious use of Mercury, Dropsy, Exposure or Imprudence in life; also, Chronic Constitutional Disorders.

In this medicine several innocent but very potent articles of the vegetable kingdom are united, forming a compound entirely different in its character and properties from any other preparation, and unrivalled in its operation on the system when laboring under disease. It should be in the hands of every person, who, by business, or general course of life, is predisposed to the very many ailments that render life a curse, instead of a blessing, and so often result in death.

FOR SCROFULA.

Dr. Drake's Panacea is recommended as a certain remedy. Not one instance of its failure has ever occurred when freely used! It cures the disease and at the same time imparts vigor to the whole system.—Scrofulous persons can never pay too much attention to the state of their blood. Its purification should be their first aim; for perseverance will accomplish a cure of even hereditary disease.

FOR ERUPTIONS OF THE SKIN,

Scurvy, Scorbutic Affections, Tumors, White Swelling, Erysipelas, Ulcers, Cancers, Running Sores, Scabs and Biles, Dr. Drake's Panacea cannot be too highly extolled; it searches out the very root of the disease, and by removing it from the system, makes a cure certain and permanent.

INDIGESTION OR DYSPERSIA.

No medicine perhaps has ever been discovered which gives so much tone to the stomach and causes the secretion of a healthy gastric juice to decompose the food as Dr. Drake's Panacea.

RHEUMATISM.

Dr. Drake's Panacea is used with the greatest success in Rheumatic Complaints, especially such as are chronic. It cures by driving out all impurities and foul humors which have accumulated in the system, which are the cause of Rheumatism, Gout, and Swellings of the joints. Other remedies sometimes give temporary relief; this entirely eradicates the disease from the system, even when the limbs and bones are dreadfully swollen.

CONSUMPTION.

CONSUMPTION CAN BE CURED—Coughs, Catarrh, Bronchitis, Spitting of blood, Asthma, Difficult or profuse expectoration, Hectic Flush, Night Sweats, Pain the side, &c., have been cured, and can be with as much certainty as any other simple disease. A specific has long been sought for, but in vain until the discovery of Dr. Drake's Panacea. It is mild and safe but certain and efficacious in its operation, and cannot possibly injure the most delicate constitution. We would earnestly recommend those afflicted to give it a trial—and we believe they will not have occasion to regret it. The system is cleansed and strengthened, the ulcers on the lungs are healed, and the patients gradually regain their usual health and strength. Read the following:

TESTIMONY.

PHILA., Dec. 14, 1847.

DEAR SIR:—In reply to your question respecting the use of Dr. Drake's Panacea, I will say, that although a perfect disbeliever in the existence of a Panacea, or cure for all diseases, however valuable it may be in certain conditions of the system, still I have believed that a cure for Consumption would be discovered sooner or later, and curiosity led me to try your medicine in two very inveterate cases. They were pronounced by the attending physicians to be pulmonary consumption, and abandoned by them as incurable. One of the persons had been under the treatment of several very able practitioners for a number of years, and they said she had "old fashioned consumption combined with scrofula," and that she might linger for some time, but could not be permanently relieved. In both cases the effect of the Panacea has been most gratifying. Only four or five bottles were used by one of the persons before she began to improve rapidly. The other took about ten. I will only add that familiar as I am with consumption by inheritance and by extensive observation as a study, and knowing also the injurious effects in nine cases out of ten of tar, boneset, and other vegetable tonics, as well as of many of the expectorants and sedatives, I should never have recommended the use of Drake's Panacea if I had not been acquainted with the ingredients. Suffice it to say that these are recommended by our most popular and scientific physicians, and in their present combined state, form probably the best alterative that has ever been made.—The cure is in accordance with a theory of consumption broached in France a few years ago, by one of her most eminent writers on medicine, and now established by facts which admit of no dispute.

Very respectfully Yours, L. C. GUNN.

To use the language of another, "Dr. Drake's Panacea is always salutary in its effects—never injurious. It is not an Opiate—it is not an Expectorant. It is not intended to lull the invalid into a fatal security. It is a great remedy—a grand healing and curative compound, the great and only remedy which medical science and skill has yet produced for the treatment of this hitherto unconquered malady. And no person afflicted with this dread disease, will be just to himself and his friends, if he go down to the grave without testing its virtues. A single bottle, in most cases, will produce a favorable change in the condition of any patient, however low."

TO THE LADIES.

Ladies of pale complexion and consumptive habits, and such as are debilitated by those obstructions which females are liable to, are restored by the use of a bottle or two, to bloom and vigor. It is by far the best remedy ever discovered for weakly children, and such as have bad humors; being pleasant, they take it. It immediately restores the appetite, strength and color.

Nothing can be more surprising than its invigorating effects on the human frame. Persons, all weakness and lassitude before taking it, at once become robust and full of energy under its influence. It immediately counteracts the nervelessness of the female frame.

CAUTION.—Be careful and see that you get the genuine Dr. DRAKE'S PANACEA—it has the signature of GEO. F. STORRS on the wrapper—and also the name "Dr. Drake's Panacea, Phila." blown in the glass.

CONSUMPTION,

Asthma, Bronchitis, Spitting Blood, Pain in the Side and Breast, Sore Throat, Hoarseness, Palpitation of the Heart, Whooping Cough, Croup, Hives, Nervous Tremors, Liver Complaint and Diseased Kidneys, are radically cured by

THOMSON'S COMPOUND SYRUP OF TAR AND WOOD NAPHTHA.

ALTHOUGH the great fatality of Pulmonary diseases, at this time shows that there are particular cases that render still too applicable the designation of *approbia medicorum*—the disgrace of physicians—to this class of diseases; and that there are stages in their progress, which having once been reached, recovery is doubtful. Still no one should despair. The writings of physicians, who have given to these affections particular attention, abound with many recorded cases of recovery when the patient had reached a seeming hopeless stage of the disease; and there is, at this time, a remedy *prepared in Philadelphia* which has met with the most triumphant and cheering success in the most obstinate forms of Throat and Pulmonary diseases—*so as to have obtained the sanction and employment in the practice of many physicians.*

Allusion is had to Thomson's Compound Syrup of Tar and Wood Naphtha—the preparation of one, who, having given to diseases of the lungs and their means of cure, the most careful and thorough attention, presented to the public this great remedy.

The soothing and curative power of Tar has often been observed in severe coughs and consumption.—But in the above preparation, beside some of our most valuable *vegetable pectorals* there is conjoined with it the *Wood Naphtha*, a medicine but lately introduced, but which has been employed with the most satisfactory results in England, in pulmonary consumption, especially of a tuberculous form.

Read the following from DR. YOUNG, the eminent oculist:

PHILA., January 18, 1847.

MESSRS. ANGNEY & DICKSON:—Gentlemen—Having recommended in my practice, and used in my own family, Thomson's Compound Syrup of Tar and Wood Naphtha, I have no hesitation in saying that it is one of the best preparations of the kind in use, and persons suffering from colds, coughs, affections of the throat, breast, &c., so prevalent at this season of the year, cannot use any medicine that will *cure or prevent consumption* sooner than Thomson's Compound Syrup of Tar and Wood Naphtha.

Dr. Keeler's Panacea.

FOR the removal and permanent cure of all diseases arising from an impure state of the Blood, and habit of the body, viz:

Chronic disease of the Chest, Bronchitis, Pleurisy, Catarrh, etc., Scrofula in all its stages, Tetter, Scald Head, Blotches, Cutaneous Eruptions of the head, face and extremities, Ulcers, Chronic Affections of the stomach and Liver, Chronic Rheumatism, White Swellings, Abcesses, Syphilitic disorders, constitutional Debility, and all mercurial and hereditary predispositions, &c.

Let no one deceive themselves, that because a single excess of any kind does not occasion immediately an attack of disease, it is therefore harmless.—Every violation of an *organic law*, carries with it sooner or later its punishment. In the great majority of situations to which man is exposed in social life, it is the continued application of less powerful causes, which gradually, and often imperceptibly effects the change, and ruins the constitution, before danger is dreamt of. The majority of human ailments is of slow growth, and of slow progress, consequently admits only of slow cure. Scrofula, consumption, dyspepsia, white swellings, gout, chronic affections of the stomach, liver, spine, head, eyes and extremities, embrace this class—each being the effect of an alteration in the vessels of nutrition, effecting vegitative life from an antecedent acquired, or hereditary cause, nothing short of powerful *alterative* medicines, promises the least hope to the invalid.—Palliatives will never cure, and often do much mischief. *Tonics and Alteratives, combined with a proper regime of diet*—the one to strengthen, the other to change morbid action, are what pathology inculcates. Read the following valuable testimony.

PHILADELPHIA, June 9, 1847.

Having been apprized of the *Panacea*, it affords me much pleasure to be able to recommend it as a valuable *remedy* in that class of chronic, constitutional, and glandular diseases to which it is especially adapted. To those who are afflicted, and require medicine as an *alterative*, cannot obtain it in a more agreeable, active, and uniform state, than is to be found in the *Panacea*. I have used it, in several instances with decided success.

Yours, &c. D. ALLISON, M. D.
