Jackson Club of Dickinson.

The Jackson Club of Dickinson convened, agreeable to previous public notice, on Monday evening the 5th instant, at the public house of Christian Hoffman, Esq., in Dickinson township. The meeting was organized by the election of the following officers:

PHILIP SPANGLER, President.

Mathew Lynch, Abraham Kurtz, Geo. Swanger, Jun'r, Woodburn, Benj. Smith, Christian Hoffman, Geo. Martin, John Morrison, John Claudy, William Galbreath, Jacob Beelman, Martin Auld, Samuel Spangler, Francis Hutchinson, Vice Presidents.

James F. Lamberton, Secretary.

On motion, the President appointed a committee of six, viz: John Moore, Thompson Galbraith, Mr. Eckels, Isaac Haas, John Swords, and Benj. Peffer, &c. to draft resolutions expressive of the sense of this meeting.

During the absence of the committee, on motion, the proceedings of the Baltimore Convention were read.

The following resolutions were then unanimously adopted:

Resolved, That the recent nominations of CASS & BUTLER, by the Democratic Convention at Baltimore, meets with our hearty approval—no honorable exertions on our part shall be wanting to secure their triumphant election.

Resolved, That in LEWIS CASS we have the soldier, statesman, and patriot combined—he always has been found battling in the foremost ranks of the Democratic party.

Resolved, That we are proud of the name of BUTLER—it is identified with the history of our country. From the days of the Revolution we have always found the Butler's ready and willing to sacrifice their lives in the cause of Union and Liberty.

Resolved, That in FRANCIS R. SHUNK, our present worthy Governor, (who has fairly earned for himself the name of "honest") we recognize an officer of the Simon Snyder stock. The vile slanders of Federalism fall harmless at his feet—a million of freemen do homage to his character as a man and a statesman.

Resolved, That we approve of the resolutions adopted by the Democratic National Convention, and recommend their perusal to the Democracy of the Union.

Resolved, That JAMES K. POLK, by refusing to suffer his name to be used by the Baltimore Convention, thereby adopting the one term principle, has done much to strengthen him with his friends, and he therefore deserves the thanks of the party.

Resolved, That the thanks of this meeting be tendered to REAH FRAZER, Esq., of Lancaster City, for his untiring exertions in behalf of the Democratic party.

Resolved, That we most earnestly recommend to our Democratic fellow citizens in the different townships and boroughs of this county the importance of organizing clubs and appointing committees of correspondence.

Resolved, That the proceedings of this meeting be published in the Democratic papers of Carlisle, and a copy of them forwarded to Reah Frazer, Esq.

Resolved, That this meeting adjourn until further notice is given by publication in the Democratic papers of Carlisle.

[*Signed by the Officers.*]

LATE FROM MEXICO.

Further Confirmation of the Ratification of the Treaty.

We received last evening, by the Pony Express, the following extra from the Mobile Tribune. The accounts, it will be seen, are by the Edith, three days later than the advices by the New Orleans. The Treaty was ratified by the doubtful Chamber on the 19th ult.

From the Mobile Herald and Tribune Extra.

IMPORTANT FROM MEXICO.

Peace concluded—The Army to be Removed.

TUESDAY, May 30.

We received this morning a despatch from the Delta office, containing important news from Mexico, by the steamship Edith, which arrived this morning at New Orleans. Letters from "Mustang" were received up to the 21st ultimo, from the city of Mexico.

The treaty was ratified by the Chamber of Deputies on the 19th ult., at 6 o'clock, P. M. The vote on it was fifty-one to thirty-five. In the other branch of Congress there is no doubt that it will be approved by a comparatively much larger vote.

Orders had been issued for the calling in of the outposts of the army, and they were expected to march for the coast between the 1st and 15th of June.

Gen. Persifer F. Smith, has been appointed superintendent for the embarcation of the forces at Vera Cruz and he was to leave the city of Mexico for the purpose of entering on this duty on the 24th ult.

This important news is beyond question, and we take great pleasure in laying it before our readers.

IMPORTANT FROM YUCATAN.

English Intervention—Violation of the Treaties—Slaughter of Two Hundred Persons, &c., &c.

The New Orleans La Paris has received eight days later news from Sisal. The flattering prospects of an amicable arrangement of the difficulties by means of the treaty of peace, are entirely dispelled. The British Minister in Mexico has accepted, on the part of his country, the offer made by Yucatan sometime since, and has sent a frigate to take possession of the country.

On the 7th inst. the Indians entered the town of Tekax, seemingly, with pacific intentions; at twelve o'clock the same day they commenced an indiscriminate massacre of the inhabitants, during which more than two hundred persons were put to the sword! The garrison and inhabitants of the town of Iturbide had abandoned the place; but in their retreat, having exposed to the attacks of a large number of Indians, they lost twenty-three killed and eleven wounded, besides one hundred and six who deserted on the road, leaving the commander with only sixty men. Numerous other towns had also been captured by the insurgents.

A letter dated Sisil, the 10th of May, says that the conduct of the Governor, Senor Barbachano, is inexcusable. For the purpose of arresting the torrent of Indians that was threatening the cities of Tebaz and Isamal, and the whole line of country extending along the towns of Cilan, Temax-Tehal, Hautunil, Tekaji, Mani, even to Bolonchan, he concluded a rather inominious peace with Pat. Notwithstanding, Barbachano was then in Tigul with 2000 troops led on by Gen. Llergo. Pat assaulted the town of Mani, captured it, and put all the white inhabitants to the sword, without distinction of age or sex. He then went in pursuit of the flying Yucatanese. The Indians are now in possession of the whole range of country above mentioned, led by Pat and Cal, so that from the port of Cilam to Cape Catoche, and thence to Bacalar Chico, all is at their mercy, and such will be the fate of the entire Peninsula unless foreign succor quickly reach the distressed whites. There are now 100,000 souls in the capital, (Merida,) refugees from the interior; and it is probable the Indians will advance even to that asylum, when not a hundredth part of the population can be saved, as there are not a sufficient number of vessels to convey them away from the fury of their victorious savage foe.

THE "WHIG" MARKET YESTERDAY.

The delegates to the great anti-war Sanhedrim swarming into our city of "brotherly love;" and Quakerdom, if it were not so impregnated with Federalism, would be inclined to cry out against the invasion, as against another descent of the Huns. It is clear, however, that we are to have a most exciting row of it, and not the less so because the chances of the three candidates named are constantly vibrating between the opposite extremes of hope and fear.—Enough was displayed, yesterday to show that there will be a desperate and bitter opposition to CLAY and TAYLOR, respectively, by the adherents of each, from the North and the South. The Slave question, in fact as it was in the Democratic Convention, threatens to be the flaming fire-brand; and we are at last inclined to believe that our Federal friends are making up their minds to meet it after some fashion. It is assured, it will never do for them to shy it. They cannot trifle with it. However they may have to decide it, they must do so in some way, even in the effort, one of their favorites should go overboard. It was this apparent determination, on the part of most of the delegates, yesterday, that affected CLAY and TAYLOR stocks, as its advocates seemed to be feeble or firm.

A strange rumor prevails that Mr. WEBSTER is urged, by his friends, among the TAYLOR delegates, to consent for himself—either as Vice President or Secretary of State. This is so much like our Massachusetts BACON, that we are compelled to believe it. And if it should be so, what a spectacle will it exhibit of selfish and debasing inconsistency?—The man who remained in office under Capt. TYLER, in defiance of all the maledictions of his friends, will be apt to regard his position as a Northern Whig, as can get a good bargain out of a Southern Slaveholder!—*Pennsylvanian, June 6.*

GLORIOUS NEWS.

The Treaty of Peace With Mexico Ratified.

The Washington *Union* announces officially, that a bearer of despatches from Messrs. Clifford and Sevier has arrived in that city, confirming the ratification of the treaty of peace with Mexico. It was ratified by the Chamber of Deputies, on the 17th ult. at 6½ o'clock, P. M., by a vote of 51 to 35, and in the other branch of Congress by a large vote. The *Lancaster Intelligencer*, after publishing this glorious news, says—"We congratulate, with emotions of delight, our readers and the public on the restoration of PEACE, the greatest and choicest of sublunary blessings. It affords, in our estimation, just cause for public thanksgivings to HIM, THE OMNIPOTENT GIVER of all good; who has so often and so signally interposed in behalf of our chosen land, and who throughout this eventful conflict with our unfortunate sister republic, has still condescended, as in the days of our fathers, to be the GOD OF OUR COUNTRY.

A review of the events of the War cannot fail to fill every heart with exultation. We had shewn to the world our love of peace; and exhausted towards Mexico the cup of forbearance. As the sword has not been sheathed without honor, so was it not drawn without cause. Mexico was herself the aggressor, and bitter has been her penalty. We were reluctant to enter into the War, but, being in, a succession of deeds has been accomplished, that would have graced the fairest pages of Grecian or Roman history. On an hundred hills has the eagle banner been planted by the hand of Courage. Hail, holy flag of Freedom! What, though assailed by foes within and foes without; they have retired before the strong arm of thy sons and left the stars unsullied! A succession of brilliant triumphs has attested thy invincibility in battle, whilst an honorable peace, signed in the very lap of victory, reflects upon the renowned and resplendent lustre!

We mourn the loss of many valuable lives and the expenditure of much money. The first is irretrievable, and forever will the tear of sorrow moisten the graves of those who have sealed their patriotism by their blood. The second is of no consequence, *for we can pay all our debts in a few years with ease.*—The resources of our country are immense; and bold and steady hands are bringing them forth. But, whatever the sufferings of the war, we have a sufficient countervailing advantage in the fact, that it has placed America in the front rank of nations—a rank sometimes granted to her by *courtesy*, but which now she claims and receives as a matter of *right*. Who would not be an American? Long live the Republic—the last Asylum of suffering and oppressed Humanity!"

Notice to Tax Payers.

UNDER the provisions of the act of 1844, any county paying into the State Treasury, the State tax levied on such county, prior to the 15th of July in any year, is entitled to an abatement of 5 per cent. on the amount so paid.

The undersigned, Commissioners of Cumberland county, in view of the above provisions, consider it equitable and proper that those, who by the prompt payment of their taxes prior to the above date, enable the Treasurer to pay over the State tax, so as to receive the aforesaid abatement of 5 per cent. the benefit of which has hitherto been engaged by the citizens of this county, generally, should be allowed a deduction of that amount by the collector—have authorized the different collectors to make said abatement from the State tax, in all cases where the State and County tax is paid to the collector prior to the 15th of July, 1848, when said abatement shall amount to one cent or more, no fractions of a cent to be credited.

Since the act of 1844, the Commissioners have paid the State tax of this county annually to the State Treasurer, within the time prescribed by the act, and the county has received the benefit of an abatement of five per cent. thereon, but to meet said payment they have found it necessary heretofore to appropriate a part of the county funds to meet the deficiency occasioned by deliquents, until the balance of the State tax was collected. It therefore becomes necessary to require the payment of both State and County tax to entitle the payer to the aforesaid abatement, upon the aforesaid State Tax.

The undersigned therefore confidently anticipate that the above arrangement, and the further inducement of enabling Cumberland county to maintain the character for promptness and fidelity which she has acquired in the discharge of her obligations to the Commonwealth, will induce every citizen to discharge their State and County tax prior to the 15th of July next.
