An one of the sension of the Convention, of great participation of Barn. Honolator's appointed with the dolution of great participation of the sension of the Convention, of the sension of the Convention, of the sension of the Convention, of great participation of Barn. Honolator's appointed with the observed of all the observed of all the observed. The sension of the Convention, of the sension of the Convention, of great participation of Barn. Honolator's appointed with the observed of all the observed. The sension of the Convention, of great participation of Barn. Honolator's appointed with the observed of all the observed of all the observed. The sension of the Convention, of great participation of the sension of the Convention, of great participation of the sension of the Convention of participation of the convention of participation of the sension of the convention of participation of the sension of the convention of participation of the sension of the sension of the sension of the convention of the sension of the se of backwoods indicire and squarkers in order the power of Maxico, defeated their disciplinod armics, and powerful cavalry, on the open prairies, with a handful of riflemen. Out of lawless and heteroge-hecous materials, he founded and constituted a flour-ishing State. Without education, he has of late years entered political life, and increased inf, fame hereby. The Democratic victory in Now Hamp-blire, gained by him over the combined forces of Clayites, Taylorites, and Abolitionists, ied on by the redoubtable Horace Greeley in person, was a much froad up bofore the Convention; you felt that the man you saw was equal to it all and to more. His form and features are of that sort which othe secht are herever to be forgotten, and are evidently those of one who was born to tule like men with whom he might be brought in cohtact: He was the observerd of all the observers in Beltimore. Barnburners and Old

nation at Baltimore. The Albany Argus says:

nation at Bultimöre. The Albany Argus says: "We invite alteration to fit confident assurances that such is the prevailing sentiment of the Demo-cracy of that locality, of all the sections and divisions of the party. So it is generally; we have no doubt, throughout the State. The tonio of the Democratic preas generally affords gratifying proof of the same spirit and dolermination among the inasses; however they may have hitherto iscen divided on local ques-tions, to support the ticket, so evidently the prefer-shes of the Democracy of the entire Union, and so deserving in itself of the energies and efforts of the Democracy."

Stand Back Whiggery i The Philadelphia Sun, the organ of the Nativiste talks plainly to the Whige. The Sun hays:

talks plainly to the Whigs. The Sun seys: "For months the Native American's advocated his claims, while all around, the sunshine friends who had been dazzled by the first flash of his glory from the field of. Buena Vista, foll off one by one and re-turned to the worship of their old wooden gods, who had never yet been able to succor them in the hour of need. And new that the Whige, through molives of safety to themselves, nave ratified the nomination made by the Native Americans, shall we give up our candidate, sacrifice our party identity and morge ourselves in the turbid stream of Whiggery ?"
