**Notice to Tax Payers.**  
UNDER the provisions of the act of 1844, any citizen paying into the State Treasury, the State tax levied on such county, prior to the 15th of July in any year, is entitled to an abatement of 5 per cent, on the amount so paid.  
The undersigned, Commissioner of Cumberland county, in view of the above provisions, consider it equitable and proper that those who by the prompt payment of their taxes prior to the above date, enable the Treasurer to pay over the State tax, so as to receive the abatement of 5 per cent, the benefit of which by the subscribers have engaged by the citizens of the county generally, to be allowed a deduction of that amount by the collector—have authorized the different collectors to make said abatement a part of the county funds to be allowed and County tax is paid on the 15th of July, 1848, when said abatement shall amount to one cent or more, no fractions of a cent to be deducted.  
Since the act of 1844, the Commissioners have paid the State tax of this county annually to the State Treasurer, within the time prescribed by the act, and the county has received the benefit of an abatement of five per cent, thereon, but to meet said payment they have found it necessary heretofore to appropriate a part of the county funds to meet the deficiency occasioned by delinquents, until the balance of the State tax was collected. It therefore becomes necessary to require the payment of both State and County tax to entitle the payer to the abatement, upon the aforesaid State Tax.  
The undersigned therefore confidently anticipates that the above arrangement, will be favorably received of enabling Cumberland county to maintain the character for promptness and fidelity which she has acquired in the discharge of her obligations to the Commonwealth; will induce every citizen to discharge their State and County tax prior to the 15th of July next.

**Great National Work.**  
A History of the Revolution and Lives of the Heroes of the War of Independence.  
By CHARLES J. PETERSON.  
An elegant volume with 18 fine Steel Plates, and nearly 200 beautiful Wood Engravings. This is a splendid book. A valuable addition to the Historio Literature of our country. We are much mistaken if it does not take rank with the works of Irving and Prescott. *Philadelphia Herald.*  
It surpasses any similar work yet offered to the American public. *North's Gazette.*  
It may be properly considered a popular and judiciously written. *N. American.</*
