**Geo. H. Traphagen, M. D.**

**Family Medicines.**  
THESE Preparations are the result of long experience and extensive practice. Great science and skill are used in their manufacture, and such are their truly remedial effects in every form of disease, that they truly deserve the name of Family Medicines. During a practice of more than twelve years, and seven of which were on board various public vessels as Assistant Surgeon in the United States Navy, he has never had a case of severe cold, influenza, or any disorder of the throat, that has not readily yielded to his Pulmonic Mixture. Thousands have been saved from a premature grave by its use. To the public and persons of weak lungs it is a great remedy, as it allays irritation and gives tone and vigor to the voice.  
**DR. TRAPHAGEN'S PULMONIC MIXTURE**  
has cured and is warranted to give relief in all cases of colds or coughs, bronchitis, influenza, hoarseness, sore throat, catarrh, asthma, liver complaint, spitting blood, croup, whooping cough, consumption, and every disease with which the throat, breast or lungs may be affected.  
The following certificates, from persons of character, will show what the Pulmonic Mixture is capable of performing. No family should be without it in their houses.  
New York, Nov. 4, 1847.  
This is to certify that I had a severe cold and Croup, and pain in my back for a long time, and I used only three bottles of Dr. Traphagen's Pulmonic Mixture, and it relieved me in a few days.  
D. MACLIN, Engraver, 139 Fulton st.

New York, Nov. 1, 1847.  
This is to certify, that I have used in my practice while engaged in the United States Navy for seven years the Pulmonic Mixture which I now offer to the public, and never knew of its failing to cure in the most obstinate cases. I also have used it in my practice on shore for the last five years, and found it equally efficacious in long standing cases of severe cold and affection of the lungs.  
GEO. H. TRAPHAGEN, M. D.  
Purchasers will observe that every bottle has the written signature of Dr. Traphagen on the label, without which none can be genuine.

**Clicker's Scurvy Coated Pills, or Grand Purge.**  
For the Cure of Headache, Giddiness, Rheumatism, Piles, Dietsia, Scurvy, Swallowing, Jaundice, Pains in the Back, Inward Weakness, Palpitation of the Heart, Rising in the Throat, Dropsy, Jaundice, Fevers of all kinds, Female Complaints, Measles, Salt Rheum, Heartburn, Worms, Cholera, Malaria, Cough, Quinsy, Whooping Cough, Consumption, Piles, Liver Complaint, Erysipelas, Defluxes, Itchings of the Skin, Cold, Croup, Greasy, Nervous Complaints, and a variety of other diseases arising from Impurities of the Blood, and Obstructions in the Organs of Digestion.  
EXPERIENCE has proved that nearly every Disease originates from impurities of the Blood. Derangements of the Digestive Organs, and to secure Health, we must remove these obstructions, or restore the Blood to its natural state. Therefore, when the slightest derangement of the System is indicated by Costiveness, or any other sign, it admonishes us that impurities are gathering in the System; which should be removed by an efficient purgative. This fact, as stated, is universally known; but people have such an aversion to medicine, that unless the case was urgent, they formerly preferred Disease to the cure. Since the invention, however,

**Clicker's Vegetable Purgative Pills** this objection is entirely removed, as they are completely enveloped with a coating of Pure White Sugar (and as distinct from the internal ingredients as a nut shell from the kernel) have no taste of medicine. They are as easily swallowed as candy. Moreover, they neither nauseate or grip in the slightest degree. They operate equally on all the diseased parts of the System, instead of confining themselves to, and racking any particular region. Thus, for example, if the Liver be affected, one ingredient will operate on that particular organ, and by cleansing it of that Excess of Bile it is constantly discharging into the system, and restore it to its natural state. Another will operate on the Blood, and remove those impurities which have already entered into its circulation; while a third will effectually expel from the system whatever impurities may have been discharged into the stomach, and hence they strike at the Root of Disease. Remove all Impure Humors open the pores externally and internally, promote the insensible Perspiration, obviate Flatulency, Headache, &c., separate all foreign and obnoxious particles from the chyle, secure a free and healthy action to the Heart, Lungs and Liver, and thereby restore health even when all other means have failed.

The entire truth of the above can be ascertained by the trial of a single box; and their virtues are so positive and certain in restoring Health, that the proprietor binds himself to return the money paid for them in all cases where they do not give universal satisfaction. Retail price 25 cts per box.

**Read this Attentively!**  
**DOCTOR HORLAND'S CELEBRATED GERMAN BITTERS.**  
WILL effectually cure the Liver Complaint, Jaundice, Dyspepsia, Chronic or Nervous Debility, Indigestion, Flatulence, Asthma, Diarrhoea, Disease of the Kidneys, Pulmonary Affections, (arising from disease of the stomach and disordered stomach in both male and female, such as Female weakness, dizziness, fullness of the head, inward piles, fluttering of the heart, difficulty of breathing, constant imaginations of evil, great depression of spirits, dimness of vision, pain in the side, back, breast, or limbs, cold feet, &c.) They remove all acidity, and give tone and action to the stomach, and assist digestion; they contain no alcohol, stimulate, and can be taken by the most delicate stomachs, and will in every case entirely destroy costiveness, and renovate the whole system, removing all impurities from the body, and remnants of previous disease, and give health and vigor to the whole frame, thereby preventing frightful dreams, walking while asleep, &c., which often result in accident.  
The functions of the stomach are of the utmost importance to every one, it constituting the source and fountain of life, which is nutrition. No one possesses such remarkable sympathies, none such remarkable power in modifying every part of the system. A greater number of persons fall victims to the harassing effects of Constipation and Dyspepsia, and more organic diseases commencing in the digestive system, than all other diseases combined. The most insidious and dangerous diseases, are owing to disease or derangement there. If the digestive system is in perfect health, the nervous system and the circulation of the blood will be also, as upon it they depend, then epidemics loose all their terror.  
Those living in, or visiting districts harassed with Fever and Ague usually, will find by the timely use of one or two bottles to renovate and strengthen the system, no excess of bile will accumulate, and they will not in one instance take cholera, which often proves to be far better than cure. The same success, has not been attended with a want of pathological knowledge of its functions, as a preparation of suitable vegetable compounds, so as to obtain not only their whole power, but as they would be most effectual and grateful.  
We are all aware that too many preparations have been, and are now before the public, that act only as palliatives, and some that change the locality of the disease, or prevent it for a short time only. It returns more formidable than in the first instance. Sundry preparations have destroyed the number of cures, and as a result, as thousands of our citizens are ailing who have tested its virtues, can always be depended upon to cure the most named diseases. It will cure any case that can be cured by medicine, no matter who, or what else has failed; it will perfectly restore the diseased organic functions of the Stomach, Intestines, Respiration, Circulation, &c.  
These Bitters and the Sikenard Ointment will cure any case of Inward Piles; it is an occurrence to require more than one bottle of each of the worst cases.
