Health!

THE MOST EFFECTUAL OF ALL KNOWN REMEDIES!
Dr. Drake's Panacea,
 THE ONLY RADICAL CURE FOR CONSUMPTION.

IT also removes and permanently cures all diseases arising from an impure state of the blood, viz: Scrofula or King's Evil, Rheumatism, Obsolete Cutaneous Eruptions, Pimples or Pustules on the Face, Blotches, Hives, Chronic Sore Eyes, Ring Worm or Tetter, Scald Head, Enlargement and Pain of the Joints and Sinuses, Stomach Ulcers, Syphilitic Symptoms, Scirrhous or Lumbago, Diarrhea arising from an impure state of the blood, Dropsy, Exposure or Induration in Life, also, Chronic Constitutional Disorders.

In this medicine several innocent but very potent articles of the vegetable kingdom are united, forming a compound entirely different in its character and properties from any other preparation, and unrivaled in its operation on the system when laboring under disease. It should be in the hands of every person, who, by business, or general course of life, is predisposed to the very many ailments that render Life a curse, instead of a blessing, and so often result in death.

FOR SCROFULA.
 Dr. Drake's Panacea is recommended as a certain remedy. Not one instance of its failure has ever occurred when freely used. It cures the disease and at the same time imparts vigor to the whole system—To the state of their blood. Its purification should be their first aim; for perseverance will accomplish a cure of even hereditary disease.

FOR ERUPTIONS OF THE SKIN,
 Scoury, Scrofulous Affections, Tumors, White Swelling, Erysipelas, Ulcers, Cancors, Running Sores, Scabs and Itches, Dr. Drake's Panacea cannot be too highly extolled; it searches out the very root of the disease, and by removing it from the system, makes a cure certain and permanent.

INDIGESTION OR DYSPEPSIA.
 No medicine perhaps has ever been discovered which gives so much tone to the stomach and causes the secretion of a healthy gastric juice to decompose the food as Dr. Drake's Panacea.

RHEUMATISM.
 Dr. Drake's Panacea is used with the greatest success in Rheumatic Complaints, especially such as are chronic. It cures by driving out all impure and four humors which have accumulated in the system which are the cause of Rheumatism, Gout, and Swellings of the joints. Other remedies sometimes give temporary relief; this entirely eradicates the disease from the system, even when the limbs and bones are dreadfully swollen.

CONSUMPTION

Asthma, Bronchitis, Spitting Blood, Pain in the Side and Breast, Sore Throat, Hoarseness, Palpitation of the Heart, Whooping Cough, Croup, Hoarse, Nervous Tremors, Latent Complaint and Diseases of the Kidneys, are radically cured by
THOMSON'S COMPOUND SYRUP OF TAR
AND NODDIN'S WOOD NAPHTHA.

ALTHOUGH the great vitality of Pulmonary diseases, at this time shows that there are particular cases that render still too applicable the designation of *apud medicum*—the disgrace of physicians—to this class of diseases; and that there are stages in their progress, which having once been reached, recovery is doubtful. Still no one should despair. The writings of physicians, who have given to these affections particular attention, abound with many recorded cases of recovery when the patient had reached a seeming hopeless stage of the disease; and there is, at this time, a remedy prepared in Philadelphia which has met with the most triumphant and cheering success. In the most obstinate forms of Throat and Pulmonary diseases, where we have obtained the sanction and employment in the practice of many physicians.

Allusion is had to Thomson's Compound Syrup of Tar, and Wood Naphtha—the preparation of one who, having given to diseases of the lungs and their means of cure, the most careful and thorough attention, prescribes to the public this great remedy. The soothing and curative power of Tar has often been observed in severe coughs and consumption—But in the above preparation, beside some of our most valuable vegetable extract is conjoined with the Wood Naphtha, a medicine but lately introduced into the United States, and employed with the most satisfactory results in England, in pulmonary consumption, especially of a tubercular form.

Read the following from Dr. Youso, the eminent oculist:

PHILA., January 18, 1847.
 Messrs. A. SNEYD & DICKSON—Gentlemen—Having recommended in my practice, and used in my own family, Thomson's Compound Syrup of Tar, and Wood Naphtha, I have no hesitation in saying that it is one of the best preparations of the kind in use, and persons suffering from colds, coughs, affections of the throat, bronchitis, &c., so prevalent at this season of the year, cannot use any medicine that will cure or prevent consumption sooner than Thomson's Compound Syrup of Tar and Wood Naphtha.

Wm. Youso, M. D., 122 Spruce st.

This valuable medicine is prepared only at the North East corner of Fifth and Spruce streets, Phila. Sold in Carlisle, at the Grocery store of J. W. EBY. Price of large bottles \$1, or six bottles for \$5. Beware of imitation.

Its purification should be their first aim; for perseverance will accomplish a cure of even hereditary disease.

FOR ERUPTIONS OF THE SKIN,
 Scoury, Scrofulous Affections, Tumors, White Swelling, Erysipelas, Ulcers, Cancors, Running Sores, Scabs and Itches, Dr. Drake's Panacea cannot be too highly extolled; it searches out the very root of the disease, and by removing it from the system, makes a cure certain and permanent.

INDIGESTION OR DYSPEPSIA.
 No medicine perhaps has ever been discovered which gives so much tone to the stomach and causes the secretion of a healthy gastric juice to decompose the food as Dr. Drake's Panacea.

RHEUMATISM.
 Dr. Drake's Panacea is used with the greatest success in Rheumatic Complaints, especially such as are chronic. It cures by driving out all impure and four humors which have accumulated in the system which are the cause of Rheumatism, Gout, and Swellings of the joints. Other remedies sometimes give temporary relief; this entirely eradicates the disease from the system, even when the limbs and bones are dreadfully swollen.

CONSUMPTION

Asthma, Bronchitis, Spitting Blood, Pain in the Side and Breast, Sore Throat, Hoarseness, Palpitation of the Heart, Whooping Cough, Croup, Hoarse, Nervous Tremors, Latent Complaint and Diseases of the Kidneys, are radically cured by
THOMSON'S COMPOUND SYRUP OF TAR
AND NODDIN'S WOOD NAPHTHA.

ALTHOUGH the great vitality of Pulmonary diseases, at this time shows that there are particular cases that render still too applicable the designation of *apud medicum*—the disgrace of physicians—to this class of diseases; and that there are stages in their progress, which having once been reached, recovery is doubtful. Still no one should despair. The writings of physicians, who have given to these affections particular attention, abound with many recorded cases of recovery when the patient had reached a seeming hopeless stage of the disease; and there is, at this time, a remedy prepared in Philadelphia which has met with the most triumphant and cheering success. In the most obstinate forms of Throat and Pulmonary diseases, where we have obtained the sanction and employment in the practice of many physicians.

Allusion is had to Thomson's Compound Syrup of Tar, and Wood Naphtha—the preparation of one who, having given to diseases of the lungs and their means of cure, the most careful and thorough attention, prescribes to the public this great remedy. The soothing and curative power of Tar has often been observed in severe coughs and consumption—But in the above preparation, beside some of our most valuable vegetable extract is conjoined with the Wood Naphtha, a medicine but lately introduced into the United States, and employed with the most satisfactory results in England, in pulmonary consumption, especially of a tubercular form.

Read the following from Dr. Youso, the eminent oculist:

PHILA., January 18, 1847.
 Messrs. A. SNEYD & DICKSON—Gentlemen—Having recommended in my practice, and used in my own family, Thomson's Compound Syrup of Tar, and Wood Naphtha, I have no hesitation in saying that it is one of the best preparations of the kind in use, and persons suffering from colds, coughs, affections of the throat, bronchitis, &c., so prevalent at this season of the year, cannot use any medicine that will cure or prevent consumption sooner than Thomson's Compound Syrup of Tar and Wood Naphtha.

 This is to certify that I had a severe attack of Bronchitis and pain in my back for a long time, and I used three bottles of Dr. Trapahagen's Pulmonic Mixture, and it relieved me in a few days.
B. MACLIN, Engraver, 139 Fulton st.

This is to certify, that I was used in my practice while engaged in the United States Navy for seven years the Pulmonic Mixture which I now offer to the public, and never knew of its failing to cure in the most obstinate case. I also have used it in my practice on shore for the last five years, and found it equally efficacious in long standing cases of severe cold and affection of the lungs.

Family Medicines.

THESE Preparations are the result of long experience and extensive practice. Great science and skill are used in their manufacture, and are the efficacy and safety in every form of disease, that they truly deserve the name of Family Medicines. During a practice of more than twelve years, seven of which were on board various public vessels as Assistant Surgeon in the United States Navy, he has never had a case of severe cold, influenza, or any other disease of the throat, that has not readily yielded to his Pulmonic Mixture. Thousands have been saved from a premature grave by its use. To public speakers and persons of weak lungs it is a great remedy, as it allays irritation and gives tone and vigor to the system.
