

### Election Proclamation.

WHEREAS by an act of the General Assembly of the Commonwealth of Pennsylvania, passed the 2d day of July, A. D. 1839, it is made the duty of the Sheriff of every county, within this Commonwealth, to give public notice of the general elections, and in such notice to enunciate:

- The officers to be elected.
- Designate the place at which the election is to be held.
- That each person entitled to vote shall be furnished with a ballot on which shall be printed the names of the candidates, and that the ballot shall be marked by the elector.
- That the elector shall deposit his ballot in a box provided for that purpose, and that the ballot shall be kept in a safe place until the day of the election.
- That the elector shall be permitted to vote at any election held in any town, ward, or district, in which he resides, and that he shall be permitted to vote at any election held in any town, ward, or district, in which he is engaged in business.
- That the elector shall be permitted to vote at any election held in any town, ward, or district, in which he has property.
- That the elector shall be permitted to vote at any election held in any town, ward, or district, in which he is liable to pay taxes.
- That the elector shall be permitted to vote at any election held in any town, ward, or district, in which he is entitled to hold office.

### Health! Health!

THE MOST EFFICACIOUS OF ALL KNOWN REMEDIES.

### Dr. Drake's Panacea,

THE ONLY RADICAL CURE FOR CONSUMPTION!

It also removes and permanently cures all diseases arising from an impure state of the blood, viz: Scrofula or King's Evil, Rheumatism, Obstructed Glands, Chronic Stomach, Pleurisy, Catarrh, etc. Scrofula in all its stages, Tetter, scald Head, Itches, Ointment, Eruptions of the face, face and extremities, Ulcers, Chronic Affections of the stomach and Liver, Chronic Rheumatism; White Swellings, Abscesses, Erythritic disorders, constitutional Debility, and all morbid and hereditary proclivities, &c. &c.

Let no one deceive themselves, that because a single dose of this medicine does not occasion immediate relief, it is therefore a failure. It is a failure because of the slow and gradual progress of the disease, and the continued application of less powerful causes, which gradually, and often imperceptibly effect the change, and ruin the constitution, before danger is dreamt of. The majority of human ailments is of slow growth, and of slow progress, consequently it is not until the disease has become inveterate, and the system is so far gone, that the patient has become a wretched being, that the medicine has any chance of effecting a cure.

Dr. Drake's Panacea is used with the greatest success in Rheumatic Complaints, especially such as are caused by driving out all impurities and restoring the system to its natural state. It is the cause of Rheumatism, Gout, Swellings of the joints, &c. entirely eradicates the disease from the system, even when the limbs and bones are dreadfully swollen.

### Consumption.

CONSUMPTION CAN BE CURED—Coughs, Catarrh, Bronchitis, Spitting of blood, Asthma, Difficulty of breathing, Hoarseness, Hectic Feat, Night Sweats, Pain the side, &c., have been cured, and can be with as much certainty as any other simple disease. A specific has long been sought for, but in vain until the discovery of Dr. Drake's Panacea. It is mild and safe, but certain and efficacious in its operation, and will not possibly injure the most delicate constitution. We cannot earnestly recommend those afflicted to give it a trial—and we believe they will not have occasion to regret it. The system is cleansed and strengthened, the blood is purified, the bowels are regular, and the patient gradually regains their usual health and strength. Read the following:

### TESTIMONY.

PHILA., Dec. 14, 1847.

DEAR SIR—In reply to your question respecting the use of Dr. Drake's Panacea, I will say that although a perfect disclaimer in the existence of a Panacea, or cure for all diseases, however valuable it may be in certain conditions of the system, and I have believed that a cure for Consumption would be discovered sooner or later, and carefully led me to try your medicine in two very intricate cases. They were pronounced by the attending physicians to be pulmonary consumption, and were held to be incurable. One of the persons had been under the treatment of several very able practitioners for a number of years, and they said he had "old-fashioned consumption combined with scrofula," and that she might linger for some time, but could not be permanently cured. In the other case, the patient had been under the treatment of several very able practitioners for a number of years, and they said she had "old-fashioned consumption combined with scrofula," and that she might linger for some time, but could not be permanently cured. In the other case, the patient had been under the treatment of several very able practitioners for a number of years, and they said she had "old-fashioned consumption combined with scrofula," and that she might linger for some time, but could not be permanently cured.
