HARD MONEY OR SHINPLASTERS? That is the Question!

Which will you choose? Working men! do not forget, that MORRIS LONGSTRETH is your candidate...

THE LAST WORD! Democrats of old Cumberland!—this is the last opportunity we will have of editorially communicating with you before the election...

OUR COUNTY OFFICERS. Let it not be forgotten, that on NEXT TUESDAY we are called upon to fill the various offices of our County...

TURN OUT! Democrats of Cumberland!—on Tuesday next go to the polls whether it rains or shines, and give your vote for MORRIS LONGSTRETH...

Remember, Democrats! that you FIGHT FOR LIBERTY, Your Enemies for MONEY AND POWER. YOU fight for the preservation of your free and glorious Constitution...

WAKE UP, DEMOCRATS! You must remember that your principles are in jeopardy, and that your enemies are Federalists. They were Tories in the Revolution...

DEMOCRATS, AWAKE!

Remember, Democrats, that NEXT TUESDAY is the day for the election of Governor, Canal Commissioner, Congressman, and our County Officers.

THE VETO POWER. The learned critic of the Federalist attempts to find fault with our casual defence of the veto power, in a previous number...

THE VETO POWER (continued). The veto is truly, as we termed it, in the article criticised by the Herald, 'the arm of the people, wielded by the only man who is the representative of the whole people'...

Honesty of the Philadelphia Candidate. The Whigs have shown no small measure of their support of Gen. Taylor on the ground that he was a frank and honest soldier.

An Artful Dodger. One of the most amusing instances of dodging that we have read of in the present campaign, is that practised by Scabury Ford...

NEWVILLE FEMALE ACADEMY. Mr. Editor—I presume your regard for the cause of education will permit me to call the attention of the numerous and intelligent readers of your paper...

NEWVILLE FEMALE ACADEMY (continued). My wife, Mrs. F. Johnson, is a volunteer candidate for Assembly in Armstrong county, against Charles Evans, a plain and unobtrusive, but honest and consistent Democrat...

To the Polls! FREEMEN, TO THE POLLS!!

Strike! till the last armed foe expires, Strike! for your altars and your fires, Strike! for the green graves of your sires, God and your native land!

DEMOCRATS OF CUMBERLAND!

We can scarcely address you all again until the great conflict of the 10th shall have been passed. We commit the great work to your hands as we can do but little more...

Don't Forget

That during the continuance of the Mexican War, Federal orators and Federal editors denounced it as 'unjust, unnecessary, and damnable'...

Examine your Tickets!

Examine your Tickets well, or else you may vote for the Federal candidates without knowing it.

It is Expected

That every DEMOCRAT will do his duty at the coming election. Let no one conclude that he has no influence...

Be up and Doing!

DEMOCRATS! You need not be told that every thing depends upon getting our votes to the polls. Do not trust this matter to chance...

Watch the Polls!

DEMOCRATS! and see that nothing unfair is done there. Go early, and stay until the votes are counted out.

Beware of Roorbacks!

The people should beware of all Federal Roorbacks, slanderers of marvellous tales, as the Federalists have their emissaries at work in almost every county...

Do not believe them!

If the Federalists cannot produce any arguments to support their cause, place no reliance in their slanders.

Importance of a Vote.

Let it be borne in mind that a Democratic Governor of Massachusetts was elected by ONE VOTE! Therefore, let not a single vote be lost.

Stand to your Duty!

The day cannot fail to be ours, if we but do our duty. To perform this, we must devote the whole day to unceasing activity at the Polls.

Get out the Voters!

The only hope of success that the Federalists have, is, that the Democrats will not turn out on the day of election.

Vote the Whole Ticket!

Innumerable falsehoods, will, as usual, be circulated by the Federalists, against some of the Democrats...

Individual Liability.

Before you come to the polls, consider well the principles of the Democrats, and compare them with those of the Whigs.

Count the Votes

As soon as the Polls are closed. Insist that this be done, and with open doors, every instance.

Be Cautious!

Be cautious, Democrats, and disbelieve every assertion the Federalists may make in regard to the Democratic candidates before you.

If it should rain

On Tuesday next, face it for one day. It will be more comfortable than the reign of Federalism.

Farmers of Cumberland!

Give one day to your country—turn out on Tuesday next, and poll every Democratic vote. It may secure to your children innumerable blessings.
