THE Public:
For the benefit of the better part of man (woman) I give this certificate after using the Thermometer churn made by Mr. George Spangler of this place. I have used none other in my family. We have been using the old barrel churns for thirty years, and I must say it is not to be compared with Mr. Spangler's Thermometer Churn, either for speed of churning or convenience. In the old barrel churn it took generally from four to six hours to churn the churning—now in the Thermometer churn we can churn butter in from fifteen to twenty minutes by bringing the milk to the proper temperature. I can recommend it to the public as no cheat.

FOR SCROFULA.
Dr. Drake's Panacea is recommended as a certain remedy. Not only does it cure the disease, but it cures the system. It is a powerful medicine, and its effects are seen in the system. It is a powerful medicine, and its effects are seen in the system. It is a powerful medicine, and its effects are seen in the system.

FOR ERUPTIONS OF THE SKIN.
Scarry, Scorbatic Affections, Tumors, White Swelling, Erysipelas, Ulcers, Cancors, Running Sores, Scabs and Biles, Dr. Drake's Panacea cannot be too highly extolled: it is a powerful medicine, and its effects are seen in the system. It is a powerful medicine, and its effects are seen in the system. It is a powerful medicine, and its effects are seen in the system.

RHEUMATISM.
Dr. Drake's Panacea is used with the greatest success in Rheumatism, especially such as chronic. It cures by driving out all impurities and foul humors which have accumulated in the system; which are the cause of Rheumatism, Gout, and Swellings of the joints. Other remedies sometimes give temporary relief, but this medicine cleanses the system, and even when the limbs and fibres are dreadfully swollen.

CONSUMPTION.
Doughnuts, Scouring of the Blood, Asthma, Catarrh, profuse expectoration, hectic Flush, Night Sweats, Pain the side, &c., have been cured, and can be cured with as much certainty as any other simple disease. A specific has long been sought for, but in vain until the discovery of Dr. Drake's Panacea. It is a powerful medicine, and its effects are seen in the system. It is a powerful medicine, and its effects are seen in the system. It is a powerful medicine, and its effects are seen in the system.

TESTIMONY.
DEAR SIR:—In reply to your question respecting the use of Dr. Drake's Panacea, I will say that although a perfect disbeliever in the existence of a Panacea, or cure, for all diseases, however valuable it may be in certain conditions of the system, still I have believed that a cure for Consumption was to be discovered sooner or later, and accordingly I have tried your medicine in two very intricate cases. They were pronounced by the attending physicians to be pulmonary consumption, and abandoned by them as incurable. One of the persons had been under the treatment of several very able practitioners for a number of years, and they said she had "old fashioned consumption combined with scrofula," and that she might linger for some time, but could not be cured. In both cases the effect of the Panacea has been most gratifying. Only four or five bottles were used, by one of the persons before she began to improve rapidly. The other took about ten. It will only add that families, as I am with consumption, and knowing also the injurious effects in nine cases out of ten of tar, boose, and other vegetable tonics, as well as of many of the expectorants and stimulants, I should never have recommended the use of Dr. Drake's Panacea if I had not been acquainted with the ingredients. Suffice it to say that, these are recommended by our most popular and scientific physicians, and in their present combined state, form probably the best alternative that has ever been made for this disease in accordance with a theory of consumption broached in France a few years ago, by one of their most eminent writers on medicine, and now established by facts which admit of no dispute.

TO THE LADIES.
Ladies of pale complexion and consumptive habits and such as are debilitated by such obstructions which females are liable to, are restored by the use of a bottle or two, to bloom and vigor. It is by far the best remedy ever discovered for weakly children, and such as have had humors being expelled, they take it. It immediately restores the appetite, strength and color.

CAUTION.—Be careful and see that you get the genuine Dr. Drake's Panacea. It has the signature of Geo. F. Sronks on the wrapper—and also the name "Dr. Drake's Panacea, Philadelphia" blown in the glass.
Prepared only by Sronks & Co., Drugists, No. 21 North Sixth Street, Philadelphia.

Cabinet Making.
THE subscriber respectfully informs the public that he will manufacture to order

Cabinet Ware
of every description, such as Bedsteads and all articles in his line, and will sell as cheap as can be bought any where in the county, and will warrant his furniture of good material and durable workmanship. He would invite the public to call and examine his stock before purchasing elsewhere.
