GET VACCINATED .- Within the last few weeks som four or five deaths have occurred in our borough from that most terrible disease small-pox. We therefore once more arge upon all the necessity of vaccination. Let every man women and child in our borough take beed in time, and attend to this matter.

ing Dr. G. W. Foulk, and Dr. WH. L. CREIGH, for the purpose of vaccinating all persons in town who have not heretofore attended to it. They are in structed to visit every family-Dr. Foulk will visit families residing south of the rail-road, and Dr. Craigh will visit those residing north of the rail-road. This action of the borough authorities is praiseworthy, and we hope every family will embrace the opportunity presented, and have themselves vaccina ted. In conclusion we may be permitted to remark that the small-pox does not prevail to any great extent in our borough. Some three or four cases are that the disease has been arrested.
