Fall a prey to Consumption, Asthma, and Racking Blood, Hectic Fever and Night Sweats.

50,000 Victims Every Year.

Mrs. ADAMS, 120th street, Harlem, suffered a year with a cough, pain in the chest, night sweats, and all the aggravated symptoms of consumption; nothing relieved her till she tried Sherman's Balsam—half a bottle cured her.

Ulcerated Lungs and Liver.

Mr. E. T. Lawrence, Jackson, Wis., after years of suffering, and treated by various physicians, and incurable incurable from ulcerated lungs and liver. Dying, as was supposed, he tried the Balsam; its effects were most miraculous; two bottles cured him.

Neurisy and Consumption.

Mrs. BAGGS, residing at 88 Sheriff street, 70 years old, has been suffering with a cough, phlegm and consumptive cough for years. The Balsam has saved her from a very great suffering.

Asthma and Consumption.

L. J. Beale, 10 DeLancy street, gave to his sister-in-law who had been an invalid for years from Asthma; to another considered as in consumption. It relieved them at once so that they travelled several hundred miles.

Spitting Blood—Is always alarming.

It leads to the worst kind of Consumption, and unless arrested in time is generally fatal. Sherman's All-Healing Balsam is the best remedy known; it heals the wounded or ruptured blood vessels of the lungs, and thereby effects a permanent cure, while other remedies only stop the blood for the time. A few doses of this Balsam will satisfy the most skeptical that it is the medicine required—it has been successful in many cases, and that too where they had run into a rapid decline, or, as more generally expressed, "Heavy Consumption." Young persons, or those of middle age, are more subject to these attacks than the aged.

Let Its Works Praise It!

Toussay's Universal Ointment.

Durns, Scalds, and all kinds of Inflamed Sores Cured. Toussay's Universal Ointment, is the most complete Burn Antidote ever known. It instantly (as if by magic) stops pain of the most desperate Burns and Scalds. For old Sores, Bruises, Cuts, Sprains, &c., on man or beast, it is the best application that can be made. Thousands have tried, and thousands praise it. It is the most perfect matter of pain ever discovered. All who use, recommend it. Every family should be provided with it. None can tell how soon some of the ailments it will cure.

Old Sores Cured.

For old, obstinate Sores, there is nothing equal to Toussay's Ointment. A person in Manlius had, for a number of years, a sore leg that baffled the skill of the doctors. Toussay's Ointment was recommended by one of the visiting physicians (who knew its great virtues), and two boxes produced more benefit than the patient had received from any and all previous remedies. Let all try it.

Burns and Scalds Cured.

Thousands of cases of Burns and Scalds, in all parts of the country, have been cured by Toussay's Universal Ointment. Certificates enough can be had to fill the whole of this sheet.

Scald Head Cured.

Scores of cases of Scald Head have been cured by Toussay's Ointment. Try it—it seldom fails.

Sore Lips Cured.

For the cure of Sore Lips, there was never anything made equal to Toussay's Ointment. It is sure to cure them. Try it. It is a scientific compound warranted not to contain any preparation of Mercury.

Chapped Hands can be Cured.

Toussay's Universal Ointment will always cure the worst cases of Chapped Hands. Scores of persons will state this.

Sore Throat Cured.

For the cure of Sore Throat, there was never anything made equal to Toussay's Ointment. It is sure to cure them. Try it. It is a scientific compound warranted not to contain any preparation of Mercury.

Cleekener's Sugar Coated Pills, or Grand Purgative.

For the Cure of Headache, Giddiness, Rheumatism, Piles, Diarrhea, Scoury, Smallpox, Jaundice, Pains in the Back, Inward Weakness, Palpitation of the Heart, Rising in the Throat, Dropsy, Cholera, Fevers of all kinds, Female Complaints, Constipation, Stomachic Disorders, Worms, Cholera Morbus, Coughs, Quinsey, Whooping Cough, Consumption, Fits, Liver Complaint, Erysipelas, Dropsy, Itching of the Skin, Colic, Gout, Gravel, Nervous Complaints, and a variety of other diseases arising from Impurities of the Blood, and Obstructions in the Organs of Digestion.

EXPENSIVE has proved that nearly every Disease arises from Impurities of the Blood, or Derangements of the Digestive Organs; and to secure Health, we must remove those obstructions or restore the Blood to its natural state.

its objection is entirely removed, as they are composed of vegetable and mineral ingredients. Sugar (and as distinct from the mineral ingredients as a shell from the kernel) have no taste of medicine. They are as easily swallowed as bits of candy. Moreover they neither nauseate or grip in the slightest degree. They operate equally on all the diseased parts of the System, instead of confining their effect to, and racking any particular region. They are, for example, if the Liver be affected, one ingredient will operate on that particular organ, and by cleansing it of that Excess of Bile it is constantly discharging into the stomach, restore it to its natural state. Another will operate on the Blood, and remove those impurities which have already entered into its circulation, and so forth. They are, for example, if the system whatever impurities may be expelled into the stomach, and hence they strike at the Root of Disease. Remove all Impure Humors, open the pores externally and internally, promote the venous circulation, relieve the Flatulency, Headache, &c.,—generate all foreign and obnoxious particles from the chyle, secure a free and healthy action to the Heart, Lungs and Liver, and thereby restore health even when all other means have failed.

FOR ERUPTIONS OF THE SKIN.

Scoury, Scrofula, Affections, Tumors, White Swelling, Erysipelas, Ulcers, Cancer, Running Sores, Scabs and Blisters, Dr. Drake's Panacea cannot be too highly extolled; it searches out the very root of the disease, and by removing it from the system, makes a cure certain and permanent.

It cures by driving out all impurities and foul humors which have accumulated in the system, which are the cause of Rheumatism, Gout, and Swellings of the joints. TESTIMONY.

PALMA, Dec. 14, 1847.
DEAR SIR.—In reply to your question respecting the cure of Dr. Drake's Panacea, I will say that, at least a perfect diabler in the existence of a Panacea, or cure for all diseases, however valuable it may be in certain conditions of the system, still I have believed that a cure for Consumption would be discovered sooner or later, and curiously led me to try your Panacea in a very recent case.
