**50,000 Victims Every Year**  
Falls a prey to Consumption, Asthma, and Raising Blood, Hectic Fever and Night Sweats.

MR. ADAMS, 120th Street, Harlem, suffered a year with a cough, pain in the chest, night sweats, and all the aggravated symptoms of Consumption; nothing relieved him till he tried Sherman's Balm—half a bottle cured him.

Uterine Lung and Liver.—E. T. Lawrence, Jackson Street, Brooklyn, after years of suffering, and treated by various physicians, was pronounced incurable from ulcerated lung and liver. Dying as was supposed, he tried the Balm; its effects were most miraculous; two bottles cured him.

Consumption.—Mr. J. J. Bagg, residing at 88 Sheriff street, 70 years old, has been subject to attacks of pleurisy and consumptive cough for years. The Balm has saved him from very great suffering.

Asthma and Consumption.—L. J. Bous, 19 Delaware street, writes that his sister-in-law who had been an invalid for years from Asthma; to another consumption, he used the Balm. It relieved them at once so that they travelled several hundred miles.

Spitting Blood.—It is always alarming. It leads to the worst kind of Consumption, and unless arrested in time is generally fatal. Sherman's Asthma Balm is the best remedy known; it heats the wound or ruptured blood vessels of the lungs, and thereby effects a permanent cure, while other remedies only stop the blood for the time. A few doses of this Balm will seal up the most skeptical that the medicine required.—It has been successful in rapid decline, or, more generally expressed, "Hectic Consumption." Young persons, or those of middle age, are more subject to these attacks than the aged.

Price 25 cents and 41 per bottle.

**TOUSEY'S UNIVERSAL OINTMENT,**

Boatmen, Livery Men, Farmers, and all who use Horses, will find this Ointment the very best thing they can use. For Collar Galls, Scalds, Kicks, &c., on their Animals. Surely every merciful man would keep his animals as free from pain as possible. Tousey's Universal Ointment is all that is required. Try it.

**Clicker's Sugar Coated Pills, or Grand Purgative,**  
For the Cure of Headache, Giddiness, Rheumatism, Acidity, Stomach, Cholera, Dropsy, Constipation, Pain in the Back, Inward Weakness, Palpitation of the Heart, Stiffness in the Joints, Dropsy, Asthma, Rheum of all kinds, Female Complaints, Measles, Salt Rheum, Hoarseness, Worms, Cholera Morbus, Coughs, Quinzy, Whooping Cough, Consumption, and all other ailments of the Lungs, Diarrhoea, Stomach, Colic, Cholera, Green Cholera, Nervous Complaints, and a variety of other diseases arising from Impurities of the Blood, and Obstructions in the Organs of Digestion.

EXPERIENCE has proved that nearly every Disease originates from Impurities of the Blood or Obstructions in the Digestive Organs; and that a healthy system is the result of a pure blood, and that the slightest derangement of the System is indicated by Coughness, or any other ailment, it admonishes us that impurities are gathering in the System, which should be removed by an effectual purgative. This is a scientific, universal, and healthy medicine, which has saved thousands from the most dangerous diseases to the cure. Since the invention, however, of

**Clicker's Vegetable Purgative Pills**  
this objection is entirely removed, as they are completely enveloped with a coating of Pure White Sugar (and as distinct from the internal ingredients as a nut shell from the kernel) have no taste of medicine. They are as easily swallowed as bits of candy. Moreover they neither nauseate or grip in the slightest degree. They operate equally on all the diseased parts of the System, instead of confining their action, and racking any particular region. Thus, for example, if the Liver be affected, one ingredient will operate on that particular organ, and by cleansing it of that Excess of Bile it is constantly discharging into the stomach, restore it to its natural state. Another will operate on the Blood, and remove those impurities which have been accumulated in the circulation; while a third will effectually expel from the system whatever impurities may have been discharged into the stomach, and hence they strike at the Root of Disease, remove all Impure Humors, open the pores externally, and internally promote the insensible Perspiration, obviate Flatulency, Headache, &c., separate all foreign and obnoxious particles from the chyle, secure a free and healthy action to the Heart, Lungs and Liver, and thereby restore health even when all other means have failed.

The entire truth of the above can be ascertained by the trial of a single box; and their virtues are so positive and certain in restoring Health, that the proprietor binds himself to return the money paid for them in all cases where they do not give universal satisfaction. Retail price 25 cts per box.

Answers for the sale of the above.—S. W. Haverstick, Dr. J. J. Myers, J. & W. B. Fleming, Charles G. W. Singler, Churchtown; A. Catcarr, Shepherdstown; Dr. Ira Day, Mechanicsburg; J. C. **FOR SCROFULA,**  
Dr. Drake's Panacea is recommended as a certain remedy. Not one instance of its failure has ever occurred when freely used. It cures the disease and at the same time imparts vigor to the whole system. Scrofulous persons can never pay too much attention to the state of their blood. Its purification should be their first aim, for perseverance will accomplish a cure of even hereditary disease.

**FOR ERUPTIONS OF THE SKIN,**  
Scoury, Scrofulous Affections, Tumors; White Swelling, Erysipelas, Ulcers, Cancors, Running Sores, Scabs and Biles, Dr. Drake's Panacea cannot be too highly recommended. It searches out the very root of the disease, instead of being merely a palliative, and makes a cure certain and permanent.

**RHEUMATISM.**  
Dr. Drake's Panacea is used with the greatest success in Rheumatic Complaints, especially such as are chronic. It cures by driving out all impurities and such humors which have accumulated in the system, which are the cause of Rheumatism, Gout, and Swellings of the joints. Other remedies sometimes give temporary relief; this entirely eradicates the disease from the system, even when the limbs and bones are dreadfully swollen.

**CONSUMPTION.**  
CONSUMPTION CAN BE CURED.—Coughs, Catarrh, Bronchitis, Spitting of Blood, Asthma, Difficulty of profuse expectoration, Hectic Flush, Night Sweats, Pain in the side, &c., have been cured, and can be with as much certainty as any other simple disease. A specific has long been sought for, but in vain until the discovery of Dr. Drake's Panacea. It is mild and safe both certain and efficacious in its operation, and cannot possibly injure the most delicate constitution. We would earnestly recommend those afflicted to give it a trial—and we believe they will not have occasion to regret it. The system is cleansed and strengthened, the ulcers on the lungs are healed, and the patients gradually regain their usual health and strength. Read the following:

**TESTIMONY.**  
PHILA., Dec. 14, 1847.  
DEAR SIR:—In reply to your question respecting the use of Dr. Drake's Panacea, I will say that, after a perfect disbeliever in the existence of a Panacea, or cure for all diseases, however valuable it may be in certain conditions of the system, will I have believed of our cure for Consumption, I am now a recovered sinner or later, and enthusiastically me to try your medicine in two very inveterate cases. They were pronounced by the attending physicians to be pulmonary consumption, and abandoned by them as incurable. One of the persons had been under the treatment of our cure for Consumption for a number of years, and they said she had "old fashioned consumption combined with scrofula," and that she might linger for some time, but could not be permanently relieved. In both cases the effect of the Panacea has been most gratifying. Only four or five bottles used by one of the persons before she began to improve rapidly. The other took about ten. I will only add that familiar as I am with consumption by inheritance and by extensive observation as a student, and knowing also the injurious effects in many cases out of ten of tonics, and other vegetable and mineral remedies, I can say that I have never had so good a success in curing Consumption as I have had with the use of Dr. Drake's Panacea. It had not been acquainted with the ingredients. Suffice it to say that these are recommended by our most popular and eminent physicians, and in their present condition, form probably the best alternative that has ever been made. The cure is in accordance with a theory of consumption broached in France a few years ago, by one of her most eminent authors, on medicine, and now established by facts which admit of no dispute.  
Very respectfully Yours,  
L. C. GUNN.

To use the language of another, "Dr. Drake's Panacea is always salutary in its effects—never injurious. It is a safe and healthy medicine, and also the best remedy to lull the invalid into a false security. It is a grand remedy—a grand healing and curative compound, the great and only remedy which medical science and skill has yet produced for the treatment of this hitherto unconquered malady. And no person afflicted with this dread disease will be able to himself and his friends, if he go down to the grave without testing its virtues. A single bottle, in most cases, will produce a favorable change in the condition of any patient, however low."

**TO THE LADIES.**  
Ladies of pale complexion and consumptive habits such as are debilitated by those obstructions which females are liable to, are restored by the use of a bottle or two, to bloom and vigor. It is by far the best remedy ever discovered for weakly children, and such as have had tumors; being pleasant, they take it immediately restores the appetite, strength and color.

Nothing can be more surprising than its invigorating effects on the human frame. Persons, all weak, and languid before taking it, at once become robust and full of energy under its influence. It immediately counteracts the nervousness of the female frame.

**CAUTION.**—Be careful and see that you get the genuine Dr. Drake's Panacea. It has the signature of Geo. F. Seaman on the wrapper, and also the name of Dr. Drake's Panacea, Philadelphia in the glass.

**See what Sherman's Lozenges have Done.**  
SHERMAN'S Worm Lozenges will immediately remove all these unpleasant symptoms, and restore to perfect health. Sister Ignatius, Superior of the Catholic Half Orphan Asylum has added her testimony in their favor, to the thousands which have gone before. She states that there are over 100 children in the Asylum, and that they have been in the habit of using Sherman's Lozenges, and she has always found them to be attended with the most beneficial effects. They have been proved to be infallible in over 400,000 cases.

Consumption, Influenza, Coughs, Colds, Whooping Cough, Tightness of the Lungs or Chest may be cured. Rev. Dennis Anthony was very low from Consumption. Jonathan Howarth, the celebrated temperance lecturer, was reduced to the verge of the grave by raising blood. Rev. Mr. Dunbar, of New York, the Rev. Mr. De Forest, Evangelist in id. Waterbury part of this state, Rev. Sebastian Streeter, of Boston, the wife of Orasmus Dibble, Esq., in New York, and hundreds of others, have been cured and cured by a proper use of Sherman's Cough Lozenges, and no medicine has ever been so generally and so effectively used in the relief of the public, as these, or which can be recommended with more confidence. They allay all itching or irritation, render the cough easy, promote expectoration, remove the cause, and produce the most happy and lasting effects.

Headache, Palpitation of the Heart, Loss of Sleep, Spasms, Stomach, Summer or Bilious Complaints, all the distressing symptoms arising from free living, or a night of dissipation are quickly and entirely relieved by using Sherman's Champer Lozenges. They are especially adapted to a very short space of time, giving tone and vigor to the system, and enable a person using them to undergo great mental or bodily fatigue.
