19 published over thus had the this benefits and the could not the glimmering of a tear, which trembled on the lashes, dropping ofton and higher though the most one joy left, the could not take the shadow was there; and shide could not take the shadow off. And though the most one joy left, the could not take the shadow off. And though the most one joy left, the could not take the shadow off. And though the most one joy left, the could not take the shadow off. And though the most one joy left, the could not take the shadow off. And though the most one joy left, the could not take the shadow off. And though the most one joy

they act no part in the world's history! Some pity-ing; softening word, dropped on man's heart, may melt it to good deeds, giving new music to the spirit of some loving one, and a new song to angels.

A NIGHT BEFORE THE WEDDING.
