Permit me, therefore, through the columns of your paper to mention the name of Henry Councu, Esq. of Bridgeport, Camberland county, as a gentleman well qualified to fill that important station.—

Should he be selected by the State Convention as the candidate of the party, he will not only redeem old Mother Cumberland, but he will also be elected by a very large majority. Believing Cumberland county to be as much entitled to the candidate as any other county in the State, many of the Democrats of my township would be rejoiced to see Mr. Church placed before the democracy of this commonwealth as the Democratic candidate for Canal Commissioner.
