defer." FFLIOTED READ! Thousands are suffering with disease from which there is no difficulty in ing speedily and permanently relieved, provided the right means are used. As every vice has its own punishment, so it would seem every disease has its remedy. This is true, and there is nothing in this life more certain than that the

American Compound,

is the most speedy and certain remedy for all diseases of a delicate nature known to the world, adapted to every stage of the disease, sex and constitution, at all times and seasons; there is no fear of exposure, de-tentiom from business, nor restriction in diet.' From the certain and speedy relief that it gives, it is now the most popular remedy of the day. Ten thousand cases have been cured by it during the past year.— Prepared by a practical physician, the afflicted can rely with confidence on its curative powers over discases of this character.
