DALLEY'S
Magical Pain Extractor.
(THE ORIGINAL AND ONLY GENUINE.)
Burns and Scalds.
I CHALLENGE the world to prove that my genuine Extractor has ever failed (since its introduction by me in 1839) in all cases of burns and scalds, or in any other case of inflammation, but in cuts, wounds, sprains, and all cases of external and painful inflammation, the same difference will be observed.
MARK THE TEST!
Dalley's Genuine Extractor, in burns and scalds, affords immediate relief, as soon as applied: it cools and draws out the fire and pain in a few minutes. Counterfeit Extractors, however, by what name or under what title they appear, when applied irritate and increase the pain.
To all the imitations that profess to be the same virtue, and the above test will be found conclusive. It does, however, not apply to burns and scalds, but in cuts, wounds, sprains, and all cases of external and painful inflammation, the same difference will be observed.
Piles, Bruises, Salt Rheum, Rheumatism, Erysipelas, Eruptions, Sore Nipples, Bruised Breasts, Chilblains, Fever Sores, old Sores & Burns, and all external inflammation, yield readily to the all-powerful pain subduing and curative properties of this extraordinary remedy. But mark, it must be the genuine Dalley.

CAUTION.
To the Public.—Being cognizant of the danger attending the use of the counterfeit extractors, I distinctly declare that I will not hold myself responsible for the effects of any Extractor, unless the same be procured at my own Depot, 415 Broadway, N. Y., or from my authorized agents.
TO THE LADIES,
And Especially to Mothers and Heads of Families
The great and substantial benefit that may be derived, and the pain and suffering that may be prevented by the genuine Dalley's Magical Pain Extractor, (see printed pamphlet, especially the article addressed to Mothers, etc.) ought to make it an inmate of every family. Life is full of many cases, however, preserved by the use of my genuine Extractor. I would therefore caution mothers never to be without a box of it on hand, not for a single day; for where there are children, accidents will occur. And what is of vast importance, especially to girls, it heals the wound without a scar.
DANGEROUS PUNCTURE.
Mr. Dalley—Sir, cut my finger with a copper nail, the poisonous matter, which is now in my arm to swell considerably, with constant shooting pain up to the shoulder. A large swelling taking place at the arm-pit, with increasing pain, and I became fearful of the Lock-Jaw. In this extremity, your pain Extractor was recommended to me, and which I used as directed. The swelling subsided, and the pain was relieved. I was able to move, and in three days I was completely cured. **JOSEPH HARRISON,**

LIFE SAVED!—AWFUL CASE OF SCALD.
Wheatfield, Niagara Co., N. Y.,
February 28, 1849.
Mr. Dalley—Dear Sir—While on my way to work at work in the shingle manufactory of L. P. Rose, he had the misfortune to slip and fall into a large vat, used for the purpose of boiling blocks preparatory to cutting. The blocks had just been removed from the vat, containing a large quantity of boiling water. He fell forward, scalding both hands and arms, all on one side, and on the other partially. The scalds were so bad on his arms and leg, that most of the flesh came off with his garments, and his life was despaired of by both his physicians and friends.
Dalley's Pain Extractor was procured as soon as possible (which was in about six hours) and applied (which relieved him from all pain, prevented inflammation and swelling, and in a few days commenced healing his arms and leg, and in a few days he was able to move, and in three days he was completely cured. I removed to his father's house, distance about one mile and a half.
We continued the use of the above medicine about two months, and we believe it was the means, under Providence, of saving his life, and we most gratefully recommend it in all similar cases, as a safe and invaluable remedy. With sentiments of respect, I remain, dear sir, your most obedient and humble servant,
ADLAE CLARK,
The SABBATH DAY CLARK,
C. CLARK, JR.,
C. CLARK, JR.,

Mr. Dewey, Louis, Dewey, J. S. Kelsey, Henry B. Pearce, Wm. Evans, E. Clark, L. P. Rose, Ira Newman, Wm. Newman, Mary J. Rose.
CUMULATIVE—The Extractor has not yet in any single instance, failed of curing, Cuts, Wounds, Burns, Punctures, or any other case of inflammation, (see printed pamphlet), always yield readily to the wonderful properties of this wonderful salve.

OPINIONS OF THE PHILADELPHIA PRESS.
"The Dispatch," of December 31st, says: "AN INVARIABLE MEDICINE.—We have frequently heard the celebrated German Bitters, manufactured by Dr. Hooffland, spoken of in terms of commendation, and we know decidedly so. It is a good common practice, in certain quarters, to puff all manner of useless trash, but in the case of the above Bitters, hundreds are living witnesses of their great use and efficacy. It is a medicine that has cured the Liver complaint, jaundice, nervous debility and dyspepsia, it has been found invaluable, effecting cures and thoroughly eradicating diseases, when all other medicines have failed. We speak from experience, and are of course, a proper judge. The press far and wide, have united in recommending the German Bitters, and to the afflicted we most cordially advise their use."
"Spirit of the Times," of June 24th, says: "Do our good citizens who are invalids, know the most astonishing cures that have been performed by Dr. Hooffland's celebrated German Bitters? If they do not, we would recommend them to the 'German Medicine Store,' all who are afflicted with Liver complaint, Jaundice, Dyspepsia, or Nervous Debility; the Doctor has cured many of our citizens after the best physicians had failed. We have used them, and they have proved to be a medicine that every one should know of, and we cannot refrain giving our testimony in its favor. It is a medicine that gives them greater claim upon our
