affords immediate relief, as soon as applied: it cools and draws out the fire and pain in a few minutes.—
Counterfeit Extractors, no matter by what name or under what title they appear, when applied irritate and increases the pain.

Try all the imitations that profess to the same virtues, and the above test will be found conclusive.—
It does, however, not alone apply to burns and scalds, but in cuts, wounds, sore and influence eyes, and all cases of external and painful influencements.

To THE PUBLIC.—Being cognizant of the danger attending the use of the counterfeit extractors, I distinctly declare that I will not hold myself responsible for the effects of any Extractor, unless the same be procured at my own Depot, 415 Broadway, N. Y., or from my authorized agents.

TO THE LADIES,

vented by the genuine Dalley's Magical Pain Extractor, (see printed pamphlet, especially the article addressed to Mothers, etc.,) ought to make it an immate of every family. Life itself has, in many cases, been preserved by a result application of my genuine Extractor. I would therefore caution mothers never to be without a box of it on hand, not for a single day for where there are children, accidents will occur.

And what is of vast importance, especially to girls, it heals the wounds without a scar.

DANGEROUS PUNCTURE.

Mr. Dalley—Sir, I cut my finger with a copper nail, the poisonous nature of which caused my arm to swell considerably, with constant shooting pains up to the simulote. A large swelling taking place at the arm-lift, with increasing pain, and I became fearful of the Lock-jaw. In this extremity, your pain Extractor was recommended to me, and which I was prevailed upon to try. The consequence was, that it afforded me atmost instant relicf, and in three days I was completely cared.

the best physicians had failed. We have used them,
and they have proved to be a medicine that every
one should know of, and we cannot refrain giving
our testimony in their favor, and that which gives
them greater claim upon our humble effort, they are
entirely Vegetable.
