UNDER the provisions of the act of 1844, any country paying into the State Treasury the State Trux levied on such country, prior to the 17th of July in any year, is entitled to an abatement of 5 per cent on the amount so paid.

The undersigned, Commissioners of Cumberland country, in view of the above provisions consider it equitable and proper that those who by the prompt payment of their tuxes prior to the above date, enable the Treasurer to pay over the State tux, so as to receive the aforesaid abatement of 5 per cent, the benefit of which has hitherto been enjoyed by the citisions, and weak because deprived of patronage.
