DALEY'S
Magical Pain Extractor.
(THE ORIGINAL AND ONLY GENUINE.)
Burns and Scalds.

CHALLENGE the world to prove that my genu-
ine Extractor has ever failed (since its intro-
duction by me in 1839) in one single instance, to
cure the worst Burns and Scalds. But it must be
the genuine article, not the vile counterfeit stuff that
is flooding the market.

MARK THE TEST!
Daley's Genuine Extractor, in burns and scalds,
affords immediate relief, as soon as applied; it com-
bats the fire and pain in a few minutes—
Counterfeit Extractors, no matter by what name or
under what title they appear, when applied irritate
and increase the pain.
Try all the imitations that profess to be the same virtu-
ous, and the above test will be found conclusive.
It does, however, not alone apply to burns and scalds,
but in cuts, wounds, sore and inflamed eyes, and all
cases of external and painful inflammation, the same
difference will be observed.

CAUTION.
To the Public.—Being cognizant of the danger
attending the use of the counterfeit Extractor, I dis-
tinctly declare that I will not hold myself responsible
for the effects of any such impostors, unless they be
purchased at my Depot, 415 Broadway, N. Y., or
from my authorized agents.

TO THE LADIES,
And Especially to Mothers and Heads of Families.
The great and substantial benefit that may be de-
rived, and the pain and suffering that may be pre-
vented by the genuine Daley's Magical Pain Extractor,
(see printed pamphlet, especially the article ad-
dressed to Mothers,) ought to make it an inmate
of every family. Life itself has, in many cases, been
preserved by a ready application of my genuine Ex-
tractor. I would therefore caution mothers never to
be without a box of it on hand, not for a single day,
for where there are children, accidents will occur—
And what is of more importance, especially to girls,
it heals the wounds without a scar.

DANGEROUS PUNCTURE.
Mr. Daley—Sir, I cut my finger with a copper
nail, the poisonous nature of which caused my arm
to swell considerably, with constant shooting pains
up to the shoulder. A large swelling taking place
in the evening, and the pulse being very high, I be-
came fearful of the Lock-jaw. In this extremity, your
Extractor was recommended to me, and which I
prevalled upon to try. The consequence was, that
it afforded me almost instant relief, and in three days
I was completely cured. JOSEPH HARRISON,
New York, cor. Broome & Sullivan sts.
September 8, 1848.

LIFE SAVED!—AWFUL CASE OF SCALD.
Wheatfield, Niagara Co., N. Y.,
February 28, 1848.
Mr. Daley—Dear Sir—While my son, 15 years of
age, was at work in the shingle manufactory of L.
P. Rose, he had the misfortune to slip and fall into a
large vat, and the scalding water, which he had been
employed to cutting. The blocks had just been re-
moved from the vat containing a large quantity of
boiling water. He fell forward, scalding both hands
and arms, all on one side and one leg badly and the
other partially. The scalds were so bad on his arms
and leg, that most of the flesh came off with his gar-
ments, and his life was despaired of by both his phy-
sicians and friends.
Daley's Pain Extractor was procured as soon as
possible (which was in about six hours) and applied
and which relieved him from all pain, prevented in-
flammation and swelling, and in a few days com-
menced healing his sores. There appeared a general im-
provement, so much so that in three weeks he was
removed to his father's house, distance about one
mile and a half.

We continued the use of the above medicine about
two months, and we believe it was the means, under
Providence, of saving his life, and we would cheer-
fully recommend it in similar cases, as a safe and
invaluable remedy. With sentiments of respect, I
remain, dear sir, your most obedient and humble
servant,
ADIAE CLARK,
SUBSTANTIAL CLARK,
E. C. CLARK.

We, the undersigned, being personally acquainted
with the case of Mr. Clark's son, believe the above
statement substantially correct.
M. Dewey, Louis, Esq., S. Kelsey, Henry
D. Pease, Wm. Evans, E. Clark, L. P. Rose, Jr.,
Newman, Wm. Newman, Mary J. Rose, Jr.
CARLETONS—The Extractor has not yet in any
single instance, failed of curing. Cuts, Wounds,
and Punctures, no matter how severe, (see page 12,
printed pamphlet,) always yield readily to the won-
derful properties of this wonderful wafer.
