The list of passengers comprises names from almost every State in the Union and a goodly number of Pennsylvanians and Virginians.

YORK AND CUMBERLAND RAILROAD. The Presiden of this road, in a report submitted a day or two since states that the means of the company, including th subscription list and the \$100,000 of stock taken by the contractors, amounts to \$530,000, and that the cost of the road is estimated at \$590.000. From this it appears that an additional subscription of \$60,000 is required, and a committee has been appointed to devise the requisite means to accure it.
