Nor DEAD-A FEDERAL TRICK .- The last Chambersburg Sentinel thus speaks of the attempt made by George Garlin, late Treasurer of Franklin coun ty, to create the impression that he was dead:

to create the impression that he was dead:

The announcement of the death of Mr. Garlin, at Louis, of Heinmortage of the Lungs, encountered logree of introdulity in this place, that could only to been remoted by positive and indisputable and logs. Subsection:

Ava. (1): St. Louis, of Hemmorhage of the Lungs, encountered a degree of intredulity in this place, that could only have been removed by positive and indisputable evidence. Subsequent advices have not tended to dissipate the suspicion of an infamous attempt to abuse the public mind and avert the consequences of repeated crimes. The Board of Health of the city of St. Louis, assert positively that no death from hemmorhage of the lungs has occurred in that place for more than four months, and that all their researches have failed to discover even the presence of Mr. Garlin at the time of his pretended disease. The editor of the Republican, in which paper the death was first published, is unable to give any cortain description of the person who brought the obituary notice to his office. The inference, then, becomes irresistable, that Mr. Garlin has either falsely promulgated his own death, without the knowledge and countivance of any individual in this place, or that the whole affair is the appropriate after piece of the long drama of fraud and crime which has been so successfully played off upon the people of Franklin county. Time alone can show what has been the real agency in his disappearance and opportune death. in his disappearance and opportune death.

The Company add a BONUS at stated periods to the insurances of life. This plan of insurance is the most approved of, and is more generally in use, than any other in Great Britain, (where the subject is best understood by the people, and where they have had the longest experience.) as appears from the fact, that out of 117 Life Insurance Companies there, of all kinds, 87 are on this plan.
