Dear Sir—It is with much pleasure that I testify to the extraordinary virtues of your German Bitters, having sold largely of them these last few months to various persons, afflicted with Liver complaints, Dyspepsie, and debility of the Nervous system. I can say conscientiously, that they are the best article of the kind. I have over sold, (and I deal in all the popular medicines) and I consider it the only medicine for the above diseases before the public,

I have never sold one bottle that has not given satisfaction, and brought forth the commendation of those who used it.
