CONSUMPTION

CURED DAILY, BY DR. HASTINGS' COM-PUUND SYRUP OF NAPHTHA. The Me-dical Faculty, as well as the public are struck with wonder at the numerous cures made daily by this extraordinary medicine, and is now acknowledged extraordinary medicine, and is now acknowledged by many of our most eminent physicians to be a certain and speedy cure for tubercular Consumption, in its worst stages. It has been recommended by that ominent physician, Dr. Mott and is constantly used in the Marine Hospital, at Savannah, Ga., by Dr. Arnold, the senior physician of the Hospital.—

The London Lancet, London Medical Journal; Braithwaite's Retrospect, and all other of the London Medical Journals have spoken in praise many times of the surprising effects of

Dr. Hustings, Prepagation.

Dr. Hastings' Preparation. Dr. Hustings' Preparation.

It has been thoroughly tried, not only in the Hospital under the charge of Dr. Hastings, in London, but else by all the first physicians of England, and all have fully endorsed it as an untivalled remedy in Consumption; and all other diseases of the Lungs. The following are a few of the opinions expressed by the Modical Faculty of England. Doctor Williambun, of Manchester, thus writes:

"Under its influence, I lines seen the emisciated being, on whose brow death had seemed to have set

being, on whose brow death had seemed to have se being, on whose prow death mad seemed to have his seal, acquire invigoration and strength—and exhause his early mornings of intense suffering or his early mornings of intense suffering and sing cough for the calm repose which alon-sanies sound health,"

necompanies sound hea'th."

Dr. Ware, of Liverpool, says:—"I regard Hastings' Syrup of Naphtha as one of the first medical discoveries of any age, and consider its agency in curing Consumption as established beyond all doub

or question."
Dr. Boyd, of Lancaster, "Halls it as the great consumptive antidote and cure;" and Dr. Hamilton, of Bath, pronounces it "the only known remedy which may be relied on for removing tubercles from the lungs and preventing formation of others."
A single bottle will prove its efficacy. Al! the proprietor tasks is the trial of one bottle, the action of which will prove to the patient the virtue of this medicine.

Coughs, Colds, Bronchitis, Decline, Asthma, Night

Coughs; Golds, Grotchills, Decline, Asthmá, Night Sweats, and Spitting of Blood, are cured in a surprisingly short space of time; the severest colds having yielded to the treatment of the Naphtha Syrap in the short space of 48 hours. James Western, of Pontine, Michigan; was attacked with spitting of blood and could obtain no relief until he tried Hastings' Naphtha which stopped it in half am hour. To enumerate all the cures performed by this medicine would because walnus, the second on the best set with the second on the house walnus the second on the house walnus.
