By far the most important political news by this arrival is the possible, and even probable ripture of Russia and Austria with Turkey. It orms the chief topic of discussion in the English and French journals, as well as amongst all classes; and in its paramount importance, the Roman difficulty, as well as all other matters of importance, appear to have been almost wholly lost sight of. The most recent accounts from Constantinople state that the Emperor of Russia has made a formal demand through a special envoy to the Porte, for the surrender of Kossuth, Bem, and other patriots, who played a prominent part in the fatte flungarian struggle, who have sought refuge over, and that the conquered and the conquerors settling down for awhile, if only to draw breath, we Sultan. pendence, and Prince Radzival, after having ineffectually endeavored to bully the Sultan into a compliance with his demands, has taken an abarant departure from Constantinople, and Count Tiroff, the Russian Minister, has closed all diploplematic relations with the Porte.

England and France, through their respective representatives, have prevailed with the Sultan in keeping him firm to his first resolution. Already, in England and France, cabinet councils have been held to consider these grave directionstances. Not the slightest doubt can be entertained of the result. Should Russia persist in demanding the surrender of these devoted men, a European war is thought to be inevitable. s thought to be inevitable.

News from Sia John Franklin's Expeditions —A communication from the Lords of Admirality, under date of October 4, states that hopes are entertained that the news brought by Capt. Parker of the True Love, arrived at Hull; from Davis' Straits, of Sir John Franklin's ship thaving been seen by the natives as late as March last, beset by the ice in Prince Regent's Inlet, is not without

foundation.

From the same source, reports have been received that Sir John Ross' ships are in the South of Prince Regent's Inlet, and that the vessels of both expeditions are safe. This hope is somewhat strengthened by the telegraphic message to the Admirality, since received, of the Mayor of Hull, where the True Love arrived last March.
