It has been thoroughly tried, not only in the Hospital under the charge of Dr. Hastings, in London, but also by all the first physicions of England, and all have fully ondersed it as an univalled remody in Consumption, and all other diseases of the Lungs. The following are a few of the opinions expressed by the Medical Faculty of England. Doctor Williamson, of Manchester, thus writes:

"Under its influence, I, have seen the emaciated

accompanies sound health."

Dr. Ware, of Liverpool, says:—"1 regard Hastings Syrby of Naphtha as one of the first medical discoveries of any age, and consider its agency in curing Consumption as established beyond all doubt a consider."

discase, consumption.

OPINIONS OF THE PHILADELPHIA PRESS.

"The Dispatch," of December 31st, says:

AT INVALUABLE MEDICINE. We have frequent-

duce a great excitement in this community. Hundreds have experienced its benefits and thousands have witnessed its beneficial results. As far as I can learn, it has cured or is fast caring every fone who has taken it, and in several instances it has restored to health persons who have been it given up by the medical faculty.

Very respectfully yours, John Bennedler, with these, but we simply ask for a single trial of this medicine, for we are confident that there is no persons suffering from any disease of the lungs below it find an immediate benefit and speedy cure from its use.

rom its use.

"Do oun good ctrizens who fire and intending the Grand of the Times," of June 24th, says:
"Do oun good ctrizens who fire the source of the German Bitters, the patient does not become debilitated, but constantly gains strength and vigor to the frame—a fact worthy of great convinced that in the use of the German Bitters, the patient does not become debilitated, but constantly gains strength and vigor to the frame a fact worthy of great convinced that in the use of the German Bitters, the patient does not become debilitated, but constantly gains strength and vigor to the frame a fact worthy of great convinced that in the use of the German Bitters, and send that in the use of the German Bitters, the patient does not strength and can be definited, but constantly gains strength and vigor to the frame a fact worthy of great convinced that in the use of the German Bitters, the patient does not strength and can be definited, but considered, under the distantly signed to the frame and can be defined. The beautiest of the mean and can be defined with the use of

"Spirit of the Times," of June 24th, says:

"Do our coon citizens who are invalide, know the many astonishing cures that have been performed by Dr. Hoofland's celebrated German Bitters!—
If they do not, we recommend them to the "German Medicine Store," oil who are afflicted with Liver complaint. Jaundice, Dyspepsia, or Norvous Debility; the Doctor has cured many of our citizens after the best physicians had failed. We have used them, and they have proved to be a medicine that every one should know of, and we cannot refrain giving our testimony in their favor, and that which gives them greater claim upon our humble effort, they are them greater claim upon our hamble effort, they are

entirely Vegetable. "The Daily News," of July 4th, says : "We speak knowingly of Dr. Hoofland's celebrated German Bitters, when we say it is a blessing of this sign; and in discases of the luliary, digestive and Netvous systems, it has not we think an eighth. It is a Vegetable Preparation, and and to without Alcohol, and to all invalids we would recommend it as worthy their confidence.

worthy their confidence.

READ THE POLLOWING:

It is from one of our first draggists, a gentleman favourably known throughous the United States—the progretor of the "Medicated Worm Synap."

Del Sir—It is with much pleasure theal I testify to the extraordinary virtues of your German Bitters, having sold largely of them there has been months to various persons, afflicted with Liver complainter, Dyspengap, and debthly of the Ectrootte system. I can say conscientiously, that they are the best article of the kind I have over sold. (and I deal in all the popular medicines) and I consider it the only medicine for the above diseases before the public.

I have nover sold one bottle that has not given
