**NO other Medicine has ever been introduced to the public that has met with such unparalleled success, as Dr. SOULE'S ORIENTAL BALM PILLS.** Having been used for six years before the public, and advertising small when compared with other medicines, yet they have worked their way into every State in the Union and Canada. They have absolutely become the standard Medicine of the day. They are purely vegetable and so admirably combined that when taken in large doses they specify cure acute diseases, and when taken in small doses they operate like a charm, upon the most delicate, nervous female, and have raised numbers from their beds when all other remedies had failed. We here refer to a few of the many miraculous cures effected by the use of said Pills.  
**Spinal Affection.**—Anna Wood, of Rutland, Jefferson Co., N. Y., was cured, after she had been confined to bed 5 years, with Spinal disease and Abscess of the Lungs. The bill of her regular Physician (Dr. Johnson of Clay) had amounted to \$5000. See Circular.  
**Scrofula and Nervous Debility.**—Mrs. Down, of Clay, N. Y., was cured of Dyspepsia, Nervous debility and Scrofulous affection of the head, after she had been confined six months and all other medicines had failed.  
**Cough and Consumption Cured.**—Wm. Bentley, of Pickering, C. W., was cured of a severe Cough, after he had been confined to his bed for a long time, and was given up by the Physicians. He had used most of the cough medicines of the day, and was supposed by his friends and physicians, to be in the last stage of Consumption.  
**Dyspepsia.**—A. B. F. Ormsby, of Syracuse, N. Y., was cured of Dyspepsia, so severe as to be unable to work for two years.  
Wm. Smith, of Greenwich, Conn., was cured of a severe case of Dyspepsia, Constiveness and Nervous Debility, yet standing, after expending large sums of money to no purpose. See Circulars.  
**Bleeding Piles.**—Asph. L. Leonard, of Avon, N. Y., was cured of a severe case of Bleeding Piles of a number of years standing, after using a variety of the medicines without effect.  
Mrs. Williamson, of Bethlehem, N. J., was afflicted for thirty years with disease of the chest and stomach, a few doses of these pills cured her.  
John Darg, of Westford, Oswego Co., N. Y., was greatly benefited in a case of Asthma and difficulty of breathing, by the use of these pills.  
**Secret cure of Piles.**—John Bolton, of Hardwick, Oswego Co., N. Y., was cured of a severe case of Piles and extreme constiveness of long and painful duration. Who would not sacrifice a few shillings to be relieved from so distressing a complaint?  
Wm. Mockbridge, of Sudus Point, N. Y., was cured of Cough, Nervous Debility, and general derangement of the digestive organs. He had been sick for years, and spent hundreds of dollars in getting relief, but to no purpose, and was so discouraged he could hardly be persuaded to take the Pills.  
The above are all cases in which all other remedies failed to cure or give relief. Many of the same character might be published if we had space. For particulars see the Botanic Institute, which can be had of agents.  
Beware of Counterfeits.  
As there are spurious Pills in circulation called Oriental or Sovereign Balm, be sure to see before you buy that the name of "DR. E. L. SOULE" is on the face of the Boxes. None others can be genuine. We are not aware that any who make a spurious article has yet dared to make use of our name; but some of them have had the impudence to imitate our boxes and copy our Circulars, Certificates, &c. Upon the public be careful when they purchase they will be deceived.  
The following persons, in this country, are agents for the above Medicine.  
J. C. & G. B. Altick, Shippensburg.  
Wm. Bari, Newville.  
Jacob Hellebower, Newburg.  
Joseph H. Hester, Milton township.  
Perry & Crutfield, do.  
John Ernst, do.  
N. Gathcart, Shepherdstown.  
J. G. Miller, New Cumberland.  
G. Wallinger's Tavern, Shippensburg.  
A. C. Norton, (Magnuchin's) Hotel, Carlisle, Pa.  
General Agent for Pennsylvania, Maryland and Delaware, to whom all orders should be addressed, Carlisle, June 20, 1849—6m.

This first BONUS was appropriated in December, 1844, amounting to 10 per cent. on the sum insured under the oldest policies; to 8 1/2 per cent., 7 1/2 per cent., &c., &c., on others, in proportion to the time of standing, making an addition of \$100; \$87.50; \$75, &c., &c., to every \$1,000, originally insured, which is an average of more than 50 per cent. on the premium paid, and without increasing the annual payment to the Company.  
The operation of the BONUS will be seen by the following examples from the Life Insurance Register of the Company, this:
