It has been thoroughly tried, not only in the Hospital under the charge of Dr. Hastings, in London, but also by all the first physicians of England, and all have fully endorsed it as an unrivalled remedy in Consumption, and all other diseases of the Lungs. The following are a few of the opinions expressed by the Medical Faculty of England. Doctor Williamson of Manchester, thus writes:

"Under its influence, I have seen the emaciated being, on whose brow death had seemed to, have, set his seal, acquire invigoration and strength—and explange his, early mornings of intense suffering and distressing cough for the calm ropose which alone accompanies sound health."

Dr. Ware, of Liverpool, says:—"I regard Hastings' Syrup of Naphtha as one of the first, medical discoveries of any age, and consider its agency in curing Consumption as established beyond all doubt or question." Dr. Hustings Preparation.
