"Facts for Farmers."—Tabular statements of the trade with Europe show that the experts of the trade with Europe show that the experts of the trade with Europe show that the experts of the trade with Europe show that the experts of the tariff of 1846 than in corresponding years under the tariff of 1846 than in corresponding years under the tariff of 184. And yet Gen. Taylor and his Whig Cabinet would have Congress restore the oppressive "protective" tariff which makes the farmer pay from 10 to 30 per cent. more for all he buys from stores, and prohibits the sale of two-thirds of his produce. What a beautiful system of monied and manufacturing monopoly our Whig administration would build up, if they had the pow-orthory and sizes; Andelson squares and buyes, all sizes; and livering, all sizes; Anvils and Vices, all sizes, and collecting monopoly our Whig administration would build up, if they had the pow-orthory described to the celebrated makes of chisels, files, plane items, dec., Addis's celebrated Carving tools, all shapes.

Life is like a meteor giard. That datis along the sky. Huming heaven's arch a while, Then from our vision fly. How not the verdicts stern of fate, Our feelings disapprove; When plucking from our midst a gem-A pearl—that all must love.

He sleeps, he sleeps; ah! yes, he sleeps In death. His pulns are o'er.

in which several of the Indians were killed and twoinded. Two or three of the hunters were wounded, but not dangerously.

The Cheyenne tribe are again becoming hostile. Feats are entertained that they will be very troublesome to the emigrants crossing the Plains in the spring.

The weather was extremely cold at Santa Fa.
