THE AMERICAN VOLUNTEER

ot live as stylishly as consider and some style, and her fifteen dellars for board, received her "genicleet" acquaintances, worked some tabourets, drow a few site these from pide paintings, grew tired of boarding, and was just entering on fashionable house keeping; when lo! a defalcation came out! Hodge had taken inoursy unal-wirely, was arrested, held to bail and a prison stared him in the face! Belinda did not believe him gullty; they had salways lived "cooning, in the face of the town, fired into the building.— In the face of the town, fired into the analysis and a prison stared him in the face! Belinda did not believe him gullty; they had salways lived "cooning the face and took possession of this imprisonment.

If it is not the prison in the face of the town, fired into the analysis and in the second to the building.— In the order was obeyed with such promptness and of the second to compet its immediate abandonnient. Under the orders of the Licut. Colonel command in the second to the second to the second to the suite of the second to the second dad is beginning."

Tree, child; that is what I want to impress upon you."

The year passed away. Belinda lived in style, paid her fifteen dellars for board, received her "gen-toel" againstance, worked some tabourets, frow a feet the prison at the corner of the Great Square of the town, fired into the Mississippi battaling, and was just entering on fashionable house keeping, worked some tabourets, they are lived in and the corner of the prison at the prison at the corner of the feet as to compel its immediate abandonnient. Untaken innersy unlawfully, was arrested, held to bail and a prison stared him in the fixed beard of the first beard of the prison and the leader of the pirates, D. Narcivea Lopez.—The order was obeyed with some promptness and of fixed from off paintings, grew tired of boarding on fashionable house keeping, when lo! a defalcation came out! Hodge had in the clittlet in the lived in the first bear of the prison stared him in the fixed! Belind did not believe him gallty; they had always lived "coop nomically," and it could not be. But the trial proved otherwise, and how was convicted and sentenced to imprisonment.

"If ow tame yor, Ifodge, to do so P'inquired the old aunt.

"To please my wife's fancy," was the reply. "She wanted to live like other people, and I wished to gratify five, and, in this way I committed my first breach of irtist."

The broken hearted wife lamented the beginning she find made, when it was too late to rectify it. She found respectability preferable to gentility. She now lives at her father's with a worse than a widow's sorrow to harve wher feelings, and takes in sawing for the five flower, which were till engaged in command the most stringent measures along the first breather with a worse than a widow's sorrow to harve where feelings, and takes in sawing for the first blue to do the prison than the corner of the corner broach of irtist."

The plant radial reverse of the Licut. Colonels, the first builty of the first breather the corner of the care of the prison stared hi

THE AMBRICAN VOLHYEER

Description of the property of the company of the company

The body, wrapped in costly garments, and derivins, is placed upon a lofty hier, under deposited in a coffin decorated with fanciful colors, the branches of the sacred figures of Siam. A drapery of white cloth, embroidered with gold, and cornamented with garlands of jessamins and other delicate and sweet-smelling flowers, is spread or the whole, while the surrounding crowd, and the sound of drums and flegeolets, await the arrival of the priest. The ceremony is not solenin. The chief mourner, with shaven head and clothed in white garments, site by the side of the bier, while the officiating priest mutters a few prayers. The fire is then kindled beneath, and the male relatives of the deceased, tying their clothes up in bundles, throw them from one to, another without cossation, across the blazing pile on the whole is consumed. The more humble of the whole is consumed to the mand them, all yon whom ostem and them, all yon whom ostem and them, all yon whom ostem and them, all yon whom ostem him believe, when he had and of this library them and the mand the mand the ma y until the whole is consumed. The more humble Siamess do not, however, meet even with this respect after death. His remains, placed on a heap of wood prepared on a low earthen platform, are burnt, and the ashes left to be scattered by the wind, returning, in the most literal sense to the dust from whence they came. Some of the first of a first of the loss of a son a hardent to grief the most polyment, and their fact of the most polyment. They came the the dust from the first and the first of the first and the first of the first
