FLATTERING PROSPECTS.

Every Democratic paper in the State supports, with zeal and determination, the nominees of the racy of the State. After nominations have been fairly made, no true Democrat will attempt to put up his opinion in opposition to the will of the impossible that all should be entirely satisfied, and we must yield our preferences to the majority. For our part we are free to confess that the pandidate of the great Democratic party. We generations yet unborn. never oppose the candidate of our party, although impunity, and yet expect favors at the hands of uting spuils to the chiefs of clans. Finding a Congress

Democrat to be up and doing. It will be an im- among favorites, under the cover of law, a shorter portant election. In addition to our county off- way of doing business has been adopted. The Seccers, we have a Canal Commissioner, Auditor General and Surveyor General, to vote for. It is of his landlord to a fat office! Mr. Crawford, the a great many of our friends of the different townships, in regard to the propriety of having a highly important, too, that the next Legislature Scoretary of War, was, however, not so modest
Democratic Colebration on the coming 4th of should be Democratic, and thus secure a United about disposing of the people's money. Having act. July, and we find that the farmers, almost to a States Senator and State Treasurer. It is for the ed as an attorney for the collection of an old claim man, prefer not to have one, assigning as a reason, democracy of the State to say whether all these against the Government, which had often been rejections that they will be in the midst of their harvest at officers shall be Democrats or Federalists. We ted, but which had finally been paid by Secretary that time, and could not attend. It is a fact that have the power to elect every man, if we but do Marcy, under Mr. Polk, as directed by an act of the commencement of grain cutting this year will our duty, and we hope our Democratic friends of be unusually late, and instead of having their the different countles of the State will use all grain all housed before the 4th of July—as has fair and honorable means to secure this desirable AND THIRTY THOUSAND DOLLARS—pregenerally been the case heretofore-the farmers end. Let our friends be careful to make good sented it to the Secretary of the Treasury, Mr. Meremuch more than making a beginning county nominations, so that the whole party can dith, and received the money, putting the half or on their fields. Under these circumstances it is unite, and make battle for the ticket. Let an \$115,000 into his own pocket as a fee! But this is early organization of the party be had, and, with not the worst of it. The principle, which had never to the Federal Galphinites. to the Federal Galphinites.

Whig Short-sightedness. Whenever a Democrat betrays or disgraces his gates of the Williamsport Convention, our Whig States for what she will be called upon to expend for cotemporaries make a great noise about the mat- interest on back claims which will be hunted up, and ter, and profess to be shocked and horrified .-- presented at her counter, and if the Cabinet should This would be all well enough, if it were not for still require the one half for paying the money over, the results that almost uniformly follow such acts it will realize the snug sum of TWENTY MIL of treachery. For, when we see the great majorthe hour of eight. We hope our Merchants of ity of the traitors taken by the hand by the "gal- worth a dozen Bankrupt, Bank, and Tariff Bills.
