illing water at the door and all the necessary Out

buildings.

The west side contains a STONE HOUSE and shove tract; contains Stable, a never failing Spring at the door, and an Apple Orchard of common fruit.

This property combines several advantages, not only from heation, but from the induce of the soil.

The above tracts only from 1 heation, but from the insture of the soil being loose and easily tilled, lying nearly square and containing about 25 acres of bottom or rather second bottom land, which is well ad apted to the growth of grain or grass, thus giving it. the double advantage of grain and studk farms. This bottom runs in front of the improvements from east to west which renders it very suitable to divide, throwing a handsome farm of 103 acres to each. The mansion side of this tract is worthy the noitee of persons desirous of purchasing a beautiful country seet, as it would require but very lattle additional expense to render it such. Also, will be sold 57 acres of Mountain Timber 1, and, with a sing improvement on it, about 2 miles distant.
