TAVING for some time been desirous of establishing a Select Boarding School, and having at length obtained suitable buildings for that purpose, the subscriber takes pleasure in announcing to his patrons and friends, that he will open the above named institution on the 1st of October.

The location is in a small and romantic vale for med by an S shaped bend of the North Mountain, aptly termed "Doubling Gap," and is not surpassed in healthfulness of situation and beauty of scenery by any place in the country. The Main Building is large and commodious, (100 feet in length by 44 in breadth, and 3 stories high.) and is well furpished with everything necessary to convenience and comfort. The other buildings compose Bath Houses, &c., to the free use of which the pupils will have access at proper hours. The well known White Sulphur Springs rise within a few rods of the main building. The object of the Institution is to fit young men for business, or for any of the higher classes of College. The course of instituction with the thorough and complete, more attention being given to the quality than to the quantity in the performance of the student. All the branches taught in the best acade.

and complete, more attention being given to the quantity than to the quantity in the performance of the student. All the branches taught in the best academies will be taught in this, and proper apparatus will be used for illustration of the subjects that require it. Classes in Civil Engineering will enjoy the advantage of operations in the field with Transit, Compass, Chain, &c.

TERMS:

Board, tuition, washing, fuel and lights, \$50 00

Latin and Greek,
French or Hebrew,
