Lounge around sual, frequent beer shops and oyster cellars strive by every unworthy means an unempl mind can suggest to kill the precious hours are passing ! Or will he with true manly pil liscard the pernicious error that spending long winter evenings idly and frivolously is a ter of no consequence. A more serious than this cannot be made by any young ma entail evil habits, as that drunkenness and d grace follow frequent indulgence of the top glass. Economize your time, young man, (is a precious boon which if well used, will me of invaluable importance to you, but which idled away, will be required at your hands, Him who gave it to you to improve. Hate flect upon some important subject, but do at waste in idleness the busy winter evenings win may be made so delightfully pleasant when page erly improved. While every good man must we demn idleness in young men, there is nothing that so readily, commands respect, as steady i dustry in the workshop or place of business, to a laudible desire for improvement manifesting self in the employment of every leisure mon The Whig candidate for Governor, Briggs, lacks in the reading of useful, books.
