These Bitter have been used by thousands, and a friend stout elbow says he has himself received an effectual and permanent cure of Liver Complaint from the use of this remedy. We are speaking from experience, and to the afflicted we advise their use."

[From Scott's Weekly.]

[From Scott's Weekly.] "Dr. Hoofland's German Bitters, manufactured by Dr. Jackson, are now recommended by some of the most prominent members of the faculty, as an article of much efficacy in cases of female weaknes-sees. As such is the case, we would advice all moth-ors to obtain a bottle, and thus save themselves much sickness. Persons of debilitated constitutions will find these Bitters advantageous to their health, as we know from experience the salutary effect that they have upon weak systems," [From the N. Y. [From the N. Y. Weekly Messenger, Jun. 6, 1860.] "Dr. Hooffand's German Bitters.—Here is a pre-poration which the leading presses in the Union sp-pear to be 'unanimous in recommending, and the reason is obvious. It is made after a prescription furnished by one of the most celebrated physicians of modern times, the late Dr. Christopher Wilhelm Hoofland; Professor to the University of Jena, Pii-vate Physician to the King of Prussia, and one of the greatest medical writers. Germany has ever po-duced. He was semphatically the enemy of hundra.

the greatest medical writers. Germany has ever pro-duced. He was emphatically the enemy of Aunorg, and therefore a medicine of which he was the in-ventor and endorser, may be confidently relied on. He specially recommended it in Liver Complaint, Dyspepsia, Debility, Vertigo, Acidity of the Sto-mach, Constipution, and all complaints arising from a bisordered condition of the stomach, the Liver, and the interview.

MORE EVIDENCE!

The "Philadelphia Saturday Gavette," the heat Family Newspaper published in the United States, the editor says of

DR. HOOFLAND'S GERMAN BITTERS,

" It is seldom that we recommend what are termed Patent Medicines to the confidence and patronage of our readers; and, therefore, when we recommend Dr, Hoofland's German Bitters, we wish it to be dis-tinctly understood that we are not speaking of the mostrams of the day, that are noised about for a brief period, and than forgotten after they have done their quility race of mischief, but of a medicine long e-tublished, universally prized, and which has met we hearty approval of the faculty itself." Evidence upon evidence has been received (like the foregoing) from all sections of the Union, the last three years, and the strongest testimony in it favor is, that there is more of it uard in the practice of the regular physicians of Philadelphis, than all other nostume combined—a fact that can be easily established, and fully proving that a scientific pre-paration will meet with their quiet approval when presented even in this form. That this Medicine will cure Liver Complaint and Dyspopsis, no one can doubt, after using it as direct d. It acts specifically upon the stomach and liver; it is preferable to calomel in *all billious dis-cases*, the effect is immediate. They can be admin-istered to female or infant with safety and reliable benefit, at any time.
