NOTICE.

PERSONS interested will please take notice that the company of Volunteer Infantry, under the command of Capt. Jacob Squire, from Cumberland county, Pa., and attached to the 49th Regiment of Maryland Militia, commanded by Lieut. Col. Veazy, in the service of the United States, in the year 1814, are entitled to 40 acres of Bounty Land each, under the act of Congress of 14th September, 1850.

Their military service and discharge will appear upon the company and regimental rolls now in the Auditor's office.

That the soldier need only prove his identity—the widow her marriage—the heir his right to inherit.

Should it be inconvenient to the claimant to locate the land in person, he may transmit his warrant to the Commissioner of the General Land office, whose duty it is to cause to be located, free of expense, any warrant which the holder may transmit to the General Land Office for that purpose, in such State and land district as the said holder or warrantee may designate, and upon good farming land, so far as the same can be ascertained.".

Fellow Soldiers! Permit me to suggest that it will be best to have our land located in a body, for if in a body it will bear a better price than if separated in to 40 acre tracts.

After receiving our warrants we can request the Commissioner of the General Land Office, to locate it for us in that way,

JACOB SQUIER.
