CARLISLE, THURSDAY, MAY 8, 1851. An Apprentice to the Printing Business.

We have had but little time to devote to our paper this week, and must therefore ask th indulgence of our readers.

arrested on suspicion of being engaged in destroying a portion of the Court-house fence, noticed in

ed in the house until a late period of the session, the day before the final adjournment. The elaborate speech of Mr. Bonham, which we present in our columns to-day, was not, therefore, delivered in the house, as he stated he would not trouble the house at that late period of the session with his views on this important subject; that although prepared to discuss the question, he would forbear doing so, and would publish his remarks for the

The amendment offered by Mr. Bonham covers the true ground; but owing to the impracticable federal Senate and unscrupulous Governor, it was very well understood that it could not be carried. The only thing left to be done was to pass the Senate bill, and Mr. B. accordingly withdrew his amendment, and the bill as it passed the Senate. was passed in the house, as the best thing that could be accomplished under the circumstances.

surprise by the action of the Senate, and had not Convention which has been called for the purpose brought his party machinery to bear upon the members of that body. To repair this oversight, the whigs of the house were thoroughly drilled and instructed, and threw every impediment in the way of the passage of the poor apology for simple justice in the case, which the Senate had presented. They moved for adjournment, called the year do much harm. From the character of the delvice which they could invent to prevent a direct principles when the country demands their services, on their querulous and reluctant opponents.

The speech we commend to public attention. Nowhere has the true character of our law of 1847 reads his argument can retain a doubt on this point. And yot, clear as it is, there is reason for be triumphantly elected on the second Tuesday of serious doubts whether Gov. Johnston will sign October. the bill which repeals but one of its worst sec

Hon, John A. Morrison, Enoch McCaskey, and and the corresponding months of the present fiscal Major McVengh, delegates to Reading, with in- yes structions for Col. BIGLER; and P. F. Smith, W.

Post, says:—It will be seen by a card in this day's representing the remains of the Empaper, that Col. James Ross Snowden has taken up his abode in Pittsburg, with the view of resume ting the practice of the law. Col. Snowden is already known by reputation to the most of our citizens. He represented Venango county in our sens. He represented Venango county in our State Legislature for a number of years, and distinguished himself in that body by his able advovable.

Post, says:—It will be seen by a card in this day's representing the remains of the Empaper, that Col. James Ross Snowden has taken peror Napoleon from the Isle of St. Helena to France, will be exhibited at the Education Hall, commencing and the prediction very cautious, and, in consequence, the cautions and, in consequence, the condition whether or not the open regularly sentenced to death of Cubans were not certain whether or not the open regularly sentenced to death of Cubans were not certain whether or not the open regularly sentenced to death of Cubans were not certain whether or not the open regularly sentenced to death of Cubans were not certain whether or not the open regularly sentenced to death of Cubans were not certain whether or not the open regularly sentenced to death of Cubans were not certain whether or not the open regularly sentenced to death of Cubans were not certain whether or not the open regularly sentenced to death of Cubans were not certain whether or not the open regularly sentenced to death of Cubans were not certain whether or not the open regularly sentenced to death of Cubans were not certain whether or not the open regularly sentenced to classification very cautious, and, in consequence, the open regularly sentenced to Cubans were not certain whether or not the open regularly sentenced to Cubans were not certain whether or not the open regularly sentenced to Cubans were not certain whether or not the open regularly sentenced to Cubans were not certain whether or not the open regularly sentenced to Cubans were not certa tinguished himself in that body by his able advo- exhibition worthy of the patronage of the public. suppointed Treasurer of the Mint, at Philadelphia, by President Polk, and hold that office until about a year ago, discharging its duties with the most screpulous fidelity. It is a gentleman of fine talonts, and an able and eloquent advocate. We wiscome him to sur altre, and hone that the resi-

It was alleged at the time of the late investigation, that the condition upon which Mr. Lowie was permitted to retain his office, by Prosident Fillmore,
was that he should remove every Democrat in the Custom House! We hardly credited the rumor fully that there was too much truth in it. Mr. of the policy of creating Bishop Hughes a Cardinal, Fillmore has a capital headsman in Tom Corwin, applied to the Bishops of the United States for their After consultation, and a free interchange of opinand now that the work of decapitation has again opinion upon the subject, and that they have just ion, it was commonded, we expect every Democrat about the sent over their objections, which will decide the establishment, to lose his head, and that, too, without benefit of clergy. The mandate has gone forth from the White House, and it must be obey-lieves and confesses his knowledge to be confined to what he knows.

THE PRESIDENTIAL QUESTION--PREMA-TURE AGITATION.

We are glad to perceive that our views, (as exessed in these columns a short time since.) on the subject of the agitation of the Presidential question at this time, have met the sanction of nearly all create bad feeling and disorganization in our ranks.

The democracy of Pennsylvania, should nothing intervene to disturb the harmony of the party, will. on the second Tuesday of October next, achieve a glorious and decided victory. With the gallant We learn that several persons have been Broken as the Democratic candidate for Governor, nothing that the Federalists can say or do, can save them from an ignominious defeat. The matour last. We refrain from publishing their names ter rests with the Democrats themselves-it is for before a judicial Investigation has been had, for them to say whether the glorious banner of democ we would not willingly connect innocent persons racy shall float in triumph, or whether the spotted

movement is premature, and calculated to jeopardwe question before the people, and some even go so far as to say that the Reading Convention—a to form the limb of a tree, which knowed him senseless for some time. Whether this had any in to the Presidency! Nonsense! We hope no sincere friend of either Mr. Buchanan or Gence that will now could be of no service to the party, and might do much harm. From the character of the delegates to compose the Reading Convention, we hink we are safe in saying that they will, after lue reflection, abstain from assuming any duties.

We question before the people, and some even go so from the limb of a tree, which knocked him senseless for some time. Whether this had any in the between the people, and some even go son time. Whether this had any in the following ditorial soliloquy:

A few weeks previous to his death he received a blow from the limb of a tree, which knocked him senseless for some time. Whether this had any in the beneated him to a block had, nor a painting, nor a bust, in the senseless for some time. Whether this had any in the beneated a fillictions had much to do in bringing it about. About a year previous, hio had news of the down the limb of a tree, which knocked him senseless for some time. Whether this had any in the beneated a fillictions had much to do in bringing it about. About a year previous, hio had news of the down the limb of a tree, which knocked him senseless for some time. Whether this had any in the beneated a filliction is had head to do in bringing it about. About a year previous, hio had news of the down the limb of a tree, which knocked him senseless for some time. Whether this had any in the senseless for some time. Whether this had any in the limb of a tree, which knocked him senseless for some time. Whether this had any in the limb of a tree, which knocked him senseless for some time. Whether this had any in the limb of a tree, which knocked him senseless for some time. Whether this had any in the limb of a tree, which knocked him senseless for some time. Whether this had any in the li h would seem that the Governor was taken by so far as to say that the Reading Convention-

and nays, and resorted to every other trick and deogates to compose the Reading Convention, we vote on the question. The democrats, true to their due reflection, abstain from assuming any duties which do not legitimately belong to them. Let called the previous question and forced its passage, that Convention nominate a candidate for Gover nor, a candidate for Canal Commissioner, and adopt resolutions re-asserting the national Demo-Nowhere has the true character of our law of 1847 been exhibited with so much ability. On the have discharged the duties for which they were question of its unconstitutionality, Mr. Bonham is delegated. Pursue this course, Messrs. Delegates especially clear and conclusive. No one who to the Reading Convention-give no expression in regard to the Presidency-and your nominees will

reparations for Revolution=An Expedition Expected.

Our latest advices from Cuba are to the 22d ult., brought by the steamer Isabel, which arrived at Savannah on the 24th ult. Our private correspondence represents the whole feland, and the city of Havana especially as in a state of the greatest excitement in consequence of reports that General Lopez with a strong force, had sailed from the U. States for the purpose of raising the standard of the dressing room, and at her carriage, and she revolt upon the Island. The Captain General was making the most vigorous preparations not only to prevent the Expedition from landing, but also to resist any attempt at revolt by the Cubans.—

Numerous arrests of persons suspected of being engaged in preparing for a revolt were taking place, and one Spaniard who had bribed a number of coast pilots to go to the United States, and assist Lopez in effecting a landing, had been sentenced to be garroted, on the information of a pilot who betrayed his confidence. The
