The Last of Him.
READ the following:—Do not let it excite you if you feel weak and debilitated, but immediately obtain a bottle of Hinkley's Warm Syrup, and restore yourself to health and happiness.
While others will excite your fears to sell their spurious preparations, with no evidence of their touching such a case, we have the frightful results which pass from Mr. Jacob Sheifenhiser, of Lancaster county, Pa., 336 inches in length, which he sent us, grateful for the restoration of health, and desirous that others may be convinced of the efficacy of the "Sufferer's Friend."
We will tell his own tale in words of gratitude for his relief from the grasp of this messenger of death.
Messrs. J. N. & G. S. Holsenack—Having been afflicted for some time, and finding no relief from various medicines, I was induced to try your Warm Syrup, from a belief of being afflicted with worms. I had taken but three bottles of your Syrup, when to my great surprise and immediate relief, I passed a tape worm 28 feet or 336 inches in length, which I send you. Hoping this may benefit some one afflicted in like manner, and in justice to the value of your medicine, I respectfully offer this statement. Yours respectfully,
JACOB SHEIFENHISER.

DR. HOOPLAND'S CELEBRATED GERMAN BITTERS,
PREPARED BY
DR. C. M. JACKSON,
AT THE
GERMAN MEDICINE STORE,
No. 130 Arch Street, Philadelphia.

Their power over the above diseases is not excelled, if equalled, by any other preparation in the United States, as the cure attained, in many cases after skillful physicians had failed.
These Bitters are worthy the attention of invalids. Possessing great virtues in the rectification of diseases of the Liver and lesser glands, exercising the most searching powers in weakness and affections of the digestive organs, they are, without a doubt, certain and pleasant.
READ AND BE CONVINCED.
(From the "Boston Bee.")
"Dr. Hoopland's Celebrated German Bitters, for the cure of Liver Complaint, Jaundice, Dyspepsia, Chronic or Nervous Debility, is deservedly one of the most popular Medicines of the day. These Bitters have been used by thousands, and a friend of my elbow says he has himself received an effectual and permanent cure of Liver Complaint by the use of this remedy. 'We are speaking from experience, and to the afflicted we advise their use.'
[From Scott's Weekly.]
"Dr. Hoopland's German Bitters, manufactured by Dr. Jackson, are now recommended by some of the most prominent members of the faculty, as an article of much efficacy in cases of female weakness. As such is the case, we would advise all who are afflicted with this complaint, to have recourse to these Bitters, and thus save themselves much sickness. Persons of debilitated constitutions will find these Bitters advantageous to their health, as we know from experience the salutary effect that they have upon weak systems."
[From the N. Y. Weekly Messenger, Jan. 6, 1850.]
"Dr. Hoopland's German Bitters—Here is a preparation which the leading presses in the Union appear to be unanimous in recommending, and which is as obvious. It is made after a prescription furnished by one of the most celebrated physicians of modern times, the late Dr. Christopher Wilhelm Hoopland, Professor to the University of Jena, Private Physician to the King of Prussia, and one of the greatest medical writers Germany has ever produced. It is especially the enemy of *Jaundice*, and therefore a medicine of which he was the inventor and endorser, may be confidently relied on. He specially recommended it in Liver Complaint, Dyspepsia, Debility, Vertigo, Acidity of the Stomach, Constipation, and all complaints arising from a disordered condition of the stomach, the Liver, and the intestines.

MORE EVIDENCE!
The "Philadelphia Saturday Gazette," the best Family Newspaper published in the United States, the editor says of
DR. HOOPLAND'S GERMAN BITTERS,
"It is seldom that we recommend what are termed Patent Medicines to the confidence and patronage of our readers; and, therefore, when we recommend Dr. Hoopland's German Bitters, we wish to be distinctly understood that we are not speaking of the nostrums of the day, that are noted about for a brief period, and then forgotten after they have done their guilty race of mischief, but of a medicine long established, universally prized, and which has met the hearty approval of the faculty here."
Evidence upon evidence has been received (like the foregoing) from all sections of the Union, the last three years, and the strongest testimony in its favor is that there is more to be used in the practice of the regular physicians of Philadelphia than all other nostrums combined—a fact that can be easily established, and fully proving that a scientific preparation will meet with their quiet approval when presented even in this form.
That this Medicine will cure Liver Complaint and Dyspepsia, no one can doubt, after using it as directed. It acts specifically upon the stomach and liver; it is preferable to colic in all bilious disorders; the effect is immediate. They can be administered to female or infant with safety and reliable benefit, at any time.

BEWARE OF COUNTERFEITS.
This Medicine has attained that high character which is necessary for all medicines to attain, to induce counterfeits to put forth a spurious article at the risk of the lives of those who are innocently deceived.
Look well to the marks of the Genuine!—They have the written signature of U. W. JACKSON upon the wrapper, and the name blown in the bottle, without which they are spurious.
