DR. HOOFLAND'S CELEBRATED GERMAN BITTERS,
 PREPARED BY
DR. C. M. JACKSON,
 AT THE
GERMAN MEDICINE STORE,
 No. 120 Arch Street, Philadelphia.
 Their power over the above diseases is not excelled, if equaled, by any other preparation in the United States, as the cures attest, in many cases after all physicians had failed.
 These Bitters are worthy the attention of invalids. Possessing great virtues in the rectification of diseases of the Liver and lesser glands, excreting the most searching powers in weakness and affections of the digestive organs, they are, withal, safe, certain and pleasant.
READ AND BE CONVINCED.
 [From the "Boston Bee."]
 "Dr. Hoofland's Celebrated German Bitters, for the cure of Liver Complaints, Jaundice, Dyspepsia, Chronic or Nervous Debility, is deservedly one of the most popular medicines of the day. These Bitters have been used by thousands, and a friend at my elbow says he has himself received an effectual and permanent cure of Liver Complaint from the use of this remedy. We are speaking from experience, and to the afflicted we advise their use."
 [From Scott's Weekly].
 "Dr. Hoofland's German Bitters, manufactured by Dr. Jackson, are now recommended by some of the most prominent members of the faculty, as an article of most efficacy in cases of female weakness. As such the case, we would advise all mothers to obtain a bottle, and thus save themselves and their children the pains of sickness. Persons of debilitated constitutions will find these Bitters advantageous to their health, as we know from experience the salutary effect that they have upon weak systems."

More Evidence!
 The "Philadelphia Saturday Gazette," the best Family Newspaper published in the United States, the editor says
DR. HOOFLAND'S GERMAN BITTERS,
 is in its possession to the confidence and patronage of our readers; and, therefore, when we recommend it, Dr. Hoofland's German Bitters, we wish it to be distinctly understood that we are not speaking of the nostrums of the day, that are so noised about for a brief period, and then forgotten after they have done their office; but of a medicine long established, universally prized, and which has met the hearty approval of the faculty itself!
 Evidence upon evidence has been received (like the foregoing) from all sections of the Union, and as the strongest testimony in its favor is, that there is more of it used in the practice of the regular physicians of Philadelphia, than all other nostrums combined—a fact that can be easily established, and fully proving that a scientific preparation will meet with their quiet approval when presented even in this form.
 That this medicine will cure Liver Complaint and Dyspepsia, no one can doubt, after using it as directed. It acts specifically upon the stomach and liver; it is preferable to calomel in all bilious diseases; the effect is immediate. It can be administered to female or infant with safety and reliable benefit, at any time.

A roof well covered with this article will last much longer than a roof unpainted, and will render it entirely proof against fire and water. This article can be had very cheap at the hardware store of
